ACKNOWLEDGEMENT

Nationwide Industrial Yellow Pages is a product of the commitment and dedication of many people without whose support and hard work this volume could not have been produced.

First, we wish to thank those who provided the necessary support for both the compilation and production. Among them are: The British High Commission in Lagos, the Japanese Embassy and embassies of other countries that appear in the directory.

Scores of people in Governments, Universities and other organizations have provided information, data and advice. These include: The Department of information Lagos and National Library of Nigeria Lagos. We are grateful for their generous support and assistance.

The production of this volume was an enormous task that involved a talented team of editors, compilers, researchers, proof readers and other staff all of whom we thank for their dedication, skills, hardwork and high professional standards. This team includes: B.A Ajav ((J.P.), Executive Director), Godwin Asekomhe (Managing Editor), Lewis Obeka (Admin/Advert Manager), Tunde Aliu (Publishing Adviser), Simon Ajao (Artist), Augustina Nwadiolu (Account Officer), Emmanuel Kende (Typist), Dennis Chavel, Patience Kadirí, Rita Romanus (Compilers).

The advice and assistance of our many friends like Chief J.J Akaakar Chief Gabriel Igbinedion, Chief (DR) E.A Ainabe, Mrs Elizabeth Inienger, Oba Oloyede Asanike, (The Olubadan of Ibadan), Alhaja Fatima Buraimo (Counselor Etsako Local Govt. Bendel State), Samuel Akor Ahua of Lobi Bank, Lagos, Chief Emiola Adesina (O.O.N., J.P.), Terver D. Akuhwa of Bank of the North, Lagos, Paul Orihere of N.B.C, Ibadan, Eytayo Bode of University Press PLC, Ibadan, Ben-Mere Amanfor, James Amhanokhai, Cliff T. Atilé, Mr C.I Ati of Zeek (Nig.) Ltd, have been invaluable at every stage of the production of this maiden edition. Their unfailing willingness to take their time to suggest improvements has made a major contribution to this project.

Finally, we wish to acknowledge the excellent design and typesetting of the whole work by Sea High Technology Co. Ltd., Ibadan and Dr. Sybil James for her assistance in editing the introductory paper.

"Make sure

**the steel bars used to reinforce that bridge can
really hold it up"**

Ever wondered why some projects last years and years without crumbling? Those projects are reinforced with high quality steel bars like the OSRC steel bars. Oshogbo Steel Rolling Company Limited is known for the manufacturing of long lasting, never bending bars that hold structures firmly in place. OSRC produces plain or ribbed bars in sizes 10mm to 40mm. Give your project a long life-span. Buy steel bars from award winning Oshogbo Steel Rolling Company Limited.
