SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1967**

It is notified for the general information of intending candidates that the 1967 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1967. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise:

(a) a qualifying written examination, conducted by the West African Examinations Council;

(b) a series of tests and interviews, known as an Extended Interview, conducted by the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Only those candidates who reach the qualifying standard in the written examination will be invited for tests and interviews by the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either:

(a) hold a 1st or 2nd Class Honours degree from a recognised faculty of a recognised University or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1967 for the final examination leading to one of the qualifications mentioned above.

'Recognised' means recognised by the Government of Western Nigeria. As an example of what is meant by 'a recognised professional qualification', the alternative qualification to a degree for entry to the class of Auditors or Inspector of Taxes is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Permanent Secretary, Ministry of Establishments and Training, Ibadan, or the Recruitment Attache, Nigeria High Commission (Recruitment Section), 9 Northumberland Avenue, London, W.C.2.

(ii) Candidates in sub-paragraph (i) (b) above will be allowed on the understanding that those who fail to secure the qualifications mentioned in sub-paragraph 1(a), will automatically drop out of the competition.

(iii) In respect of the class of Assistant Registrars of Co-operative Societies, a honours degree in Economics is preferable; and in respect of the Class of Produce Officers, candidates should hold or intend to take honours degree in Agriculture or Economics.

(iv) The conditions affecting serving officers including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, *i.e.*, not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of current affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:

(i) *English (Precis and Critical Appreciation)*— This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*. Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*. This will consist of two questions— One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of April, 1967, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In all cases candidates will be responsible for arranging, and meeting the cost of their accommodation and transport.

7. Each candidate will be required to pay a fee of £2 and fees are not refundable. No responsibility will be accepted for money sent in any other manner than that prescribed.

It is notified for the general information of intending candidates that the 1967 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1967. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise:

(a) a qualifying written examination, conducted by the West African Examinations Council;

(b) a series of tests and interviews, known as an Extended Interview, conducted by the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Only those candidates who reach the qualifying round in the written examination will be invited for tests and interviews by the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either:

(a) hold a 1st or 2nd Class Honours degree from a recognised faculty of a recognised University or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1967 for the final examination leading to one of the qualifications mentioned above.

'Recognised' means recognised by the Government of Western Nigeria. As an example of what is meant by 'a recognised professional qualification', the alternative qualification to a degree for entry to the class of Auditors or Inspector of Taxes is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Permanent Secretary, Ministry of Establishments and Training, Ibadan, or the Recruitment Attache, Nigeria High Commission (Recruitment Section), 9 Northumberland Avenue, London, W.C.2.

(ii) Candidates in sub-paragraph (i) (b) above will be allowed on the understanding that those who fail to secure the qualifications mentioned in sub-paragraph 1(a), will automatically drop out of the competition.

(iii) In respect of the class of Assistant Registrars of Co-operative Societies, a honours degree in Economics is preferable; and in respect of the Class of Produce Officers, candidates should hold or intend to take honours degree in Agriculture or Economics.

(iv) The conditions affecting serving officers including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, *i.e.*, not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of current affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:

(i) *English (Precis and Critical Appreciation)*—

This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*. Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*. This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of April, 1967, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In all cases candidates will be responsible for arranging, and meeting the cost of their accommodation and transport.

7. Each candidate will be required to pay a fee of £2 and fees are not refundable. No responsibility will be accepted for money sent in any other manner than that prescribed.

(3) The tribunal may, if no cause or no sufficient cause as aforesaid is shown to its satisfaction, after such inquiry as the tribunal may consider necessary, convict the person concerned of the offence and impose upon him an appropriate sentence in accordance with the provisions of this Edict.

(4) The procedure to be followed upon an application to the tribunal under sub-section (1) of this section shall be in accordance with such rulings as the tribunal may make either generally or for the purpose of a particular trial; and in relation to and for the purposes of the proceedings of the tribunal the tribunal shall have the same powers, whether of compelling the attendance of persons and the production of documents or otherwise, as the High Court of the Region has in the exercise of its ordinary jurisdiction.

(5) For the avoidance of doubt, it is hereby declared that any person charged for an offence under this Edict is entitled to defend himself either in person or by a person or persons of his own choice who is or are legal practitioners, and to examine in person or by his legal representatives, if he or they so wish, any person whose evidence on affidavit or otherwise forms part of the case against him.

or dis-

8. (1) Any sentence imposed under this Edict shall not be carried out unless and until the conviction and sentence are confirmed by the Military Governor, and pending such confirmation the convicted offender shall be kept in such place of safe custody as the tribunal may decide.

(2) The Military Governor shall have power to confirm or disallow any conviction, or sentence imposed, by the tribunal.

(3) Where a sentence is disallowed, the Military Governor may substitute such other lesser sentence as he may deem appropriate, and he may also disallow any conviction and order the release of the convicted person from custody where, upon representation made in that behalf by that person, or from other circumstances, the Military Governor is satisfied that the conviction should not be allowed to stand.

'Recognised' means recognised by the Government of Western Nigeria. (iii) *General*. This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of April, 1967, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

(2) Before an order is made under sub-section (1) of this section, regard shall be had in particular to the following considerations:—

The Court of Appeal may from time to time make any order necessary for determining the real question in controversy in the appeal, and may amend any defect or error in the record of appeal, and may direct the court below to inquire into and certify its findings on any question which the Court of Appeal thinks fit to determine before final judgment in the appeal and may make an interim order or grant any injunction which the court below is authorised to make or grant and may direct any necessary inquiries or accounts to be made or taken and generally shall have full jurisdiction over the whole proceedings as if the proceedings had been instituted in the Court of Appeal as a court of first instance and may re-hear the case in whole or in part or may remit it to the court below for the purpose of such re-hearing or may give such other directions as to the manner in which the court below shall deal with the case in accordance with the powers of that court, or, in the case of an appeal from the High Court in its appellate jurisdiction, order the case to be re-heard by a court of competent jurisdiction.

Wrong ruling as to sufficiency of stamp.

19. The Court of Appeal shall not grant a new trial or reverse any judgment by reason of the ruling of any court that the stamp upon any document is sufficient or that the document does not require a stamp.

Court of Appeal

20. An appeal under this Part shall not operate as a stay of execution, but the Court of Appeal may order a stay of execution either conditionally or upon the performance of such conditions as may be imposed in accordance with rules of court. Stay of execution.

PART III.—APPEALS IN CRIMINAL CASES FROM A COURT SITTING
AS A COURT OF FIRST INSTANCE

21. This Part shall apply to the exercise of the jurisdiction of the Court of Appeal to hear appeals in criminal causes or matters from decisions of the court below sitting at first instance. Application of Part III.

22. (1) The Court of Appeal on any appeal under this Part against conviction or against an order of acquittal, discharge or dismissal, shall allow the appeal if it thinks that the verdict should be set aside on the ground that it is unreasonable or cannot be supported having regard to the evidence, or that the judgment of the court below should be set aside on the ground of a wrong decision on any question of law or that on any ground there was a miscarriage of justice and in any other case, the Court shall, subject to the provisions of sub-section (3) of this section and section 23, dismiss the appeal: Determination of appeal.

Provided that the Court may, notwithstanding that it is of opinion that the point raised in the appeal might be decided in favour of the appellant, dismiss the appeal if it considers that no substantial miscarriage of justice has actually occurred.

(2) Subject to the provisions of this Edict, the Court of Appeal shall, if it allows an appeal against conviction, quash the conviction and direct a judgment and verdict of acquittal to be entered or order the appellant to be re-tried by a court of competent jurisdiction.

(3) On an appeal against sentence or, subject to the provisions of this Edict, on an appeal against conviction, the Court of Appeal shall, if it thinks that a different sentence should have been passed, quash the sentence passed at the trial and pass such other sentence warranted in law (whether more or less severe) in substitution therefor as it thinks ought to have been passed, and if not of that opinion shall, in the case of an appeal against sentence, dismiss the appeal.

(4) Subject to the provisions of this Edict, the Court of Appeal shall, if it allows an appeal against acquittal, discharge or dismissal, direct a judgment and verdict of conviction to be entered and pass such sentence as the court below could have passed, or order the appellant to be re-tried by a court of competent jurisdiction.

23. (1) If it appears to the Court of Appeal that an appellant, though not properly convicted on some count or part of the information or charge, has been properly convicted on some other count or part of the information or charge, the Court may either affirm the sentence passed on the appellant at the trial, or pass such sentence in substitution therefor as it thinks proper, and as may be warranted in law by the verdict on the count or part of the information or charge on which the Court considers that the appellant has been properly convicted. Powers of Court of Appeal in special cases.

(2) Where an appellant has been convicted of an offence and the court which tried him could on the information or charge have found him guilty of some other offence, and on the finding of the trial court, it appears to the Court of Appeal that that court must have been satisfied of facts which proved him guilty of that other offence, the Court of Appeal may, instead of allowing or dismissing the appeal, substitute for the verdict found by such court, a verdict of guilty of that other offence and pass such sentence in substitution for the sentence passed at the trial as may be warranted in law for that other offence, not being a sentence of greater severity.

(3) If on any appeal it appears to the Court of Appeal that, although the appellant was guilty of the act or omission charged against him, he was insane at the time the act was done or omission made so as not to be responsible according to law for his action, the Court may quash the sentence passed at the trial and order the appellant to be kept in custody as a criminal lunatic in such place and in such manner as the Court may direct until the pleasure of the Military Governor be known, and the Military Governor may thereupon and from time to time give such order for the safe custody of the appellant during pleasure in such place and in such manner as the Military Governor may see fit.

Suspension of order for restoration or payment of compensation or expenses.

24. (1) Where any law has suspended the operation of any order made on conviction by the court before which the appellant was convicted, for the payment of compensation or of any of the expenses of the prosecution, or for the imprisonment or other punishment imposed on the person convicted or for the restoration of any property to any person, and the re-vesting in case of any such conviction in the original owner or his personal representative of the property in stolen goods, such order shall continue to be suspended until the determination of the appeal if notice of appeal, or notice of application for leave to appeal is given within thirty days of the date of the conviction.

(2) In cases where the operation of an order is suspended until the determination of the appeal, the order shall not take effect if the conviction is quashed on appeal.

(3) The Court of Appeal may by order annul or vary any order made by the court before which the appellant was convicted, for the payment of compensation or of any other expenses of the prosecution or for the imprisonment or other punishment imposed on the person convicted or for the restoration of any property to any person although the conviction is not quashed, and the order, if annulled, shall not take effect, and, if varied, shall take effect as so varied.

26. On the hearing of an appeal under this Part the Court of Appeal may exercise any power that could have been exercised by the High Court or may order the case to be re-tried by a court of competent jurisdiction.

Wrong ruling as to sufficiency of stamp.

19. The Court of Appeal shall not grant a new trial or reverse any judgment by reason of the ruling of any court that the stamp upon any document is sufficient or that the document does not require a stamp.

Court of Appeal

20. An appeal under this Part shall not operate as a stay of execution, but the Court of Appeal may order a stay of execution either conditionally or upon the performance of such conditions as may be imposed in accordance with rules of court. Stay of execution.

PART III.—APPEALS IN CRIMINAL CASES FROM A COURT SITTING
AS A COURT OF FIRST INSTANCE

21. This Part shall apply to the exercise of the jurisdiction of the Court of Appeal to hear appeals in criminal causes or matters from decisions of the court below sitting at first instance. Application of Part III.

22. (1) The Court of Appeal on any appeal under this Part against conviction or against an order of acquittal, discharge or dismissal, shall allow the appeal if it thinks that the verdict should be set aside on the ground that it is unreasonable or cannot be supported having regard to the evidence, or that the judgment of the court below should be set aside on the ground of a wrong decision on any question of law or that on any ground there was a miscarriage of justice and in any other case, the Court shall, subject to the provisions of sub-section (3) of this section and section 23, dismiss the appeal: Determination of appeal.

Provided that the Court may, notwithstanding that it is of opinion that the point raised in the appeal might be decided in favour of the appellant, dismiss the appeal if it considers that no substantial miscarriage of justice has actually occurred.

(2) Subject to the provisions of this Edict, the Court of Appeal shall, if it allows an appeal against conviction, quash the conviction and direct a judgment and verdict of acquittal to be entered or order the appellant to be re-tried by a court of competent jurisdiction.

(3) On an appeal against sentence or, subject to the provisions of this Edict, on an appeal against conviction, the Court of Appeal shall, if it thinks that a different sentence should have been passed, quash the sentence passed at the trial and pass such other sentence warranted in law (whether more or less severe) in substitution therefor as it thinks ought to have been passed, and if not of that opinion shall, in the case of an appeal against sentence, dismiss the appeal.

(4) Subject to the provisions of this Edict, the Court of Appeal shall, if it allows an appeal against acquittal, discharge or dismissal, direct a judgment and verdict of conviction to be entered and pass such sentence as the court below could have passed, or order the appellant to be re-tried by a court of competent jurisdiction.

23. (1) If it appears to the Court of Appeal that an appellant, though not properly convicted on some count or part of the information or charge, has been properly convicted on some other count or part of the information or charge, the Court may either affirm the sentence passed on the appellant at the trial, or pass such sentence in substitution therefor as it thinks proper, and as may be warranted in law by the verdict on the count or part of the information or charge on which the Court considers that the appellant has been properly convicted. Powers of Court of Appeal in special cases.

(2) Where an appellant has been convicted of an offence and the court which tried him could on the information or charge have found him guilty of some other offence, and on the finding of the trial court, it appears to the Court of Appeal that that court must have been satisfied of facts which proved him guilty of that other offence, the Court of Appeal may, instead of allowing or dismissing the appeal, substitute for the verdict found by such court, a verdict of guilty of that other offence and pass such sentence in substitution for the sentence passed at the trial as may be warranted in law for that other offence, not being a sentence of greater severity.

(3) If on any appeal it appears to the Court of Appeal that, although the appellant was guilty of the act or omission charged against him, he was insane at the time the act was done or omission made so as not to be responsible according to law for his action, the Court may quash the sentence passed at the trial and order the appellant to be kept in custody as a criminal lunatic in such place and in such manner as the Court may direct until the pleasure of the Military Governor be known, and the Military Governor may thereupon and from time to time give such order for the safe custody of the appellant during pleasure in such place and in such manner as the Military Governor may see fit.

Suspension of order for restoration or payment of compensation or expenses.

24. (1) Where any law has suspended the operation of any order made on conviction by the court before which the appellant was convicted, for the payment of compensation or of any of the expenses of the prosecution, or for the imprisonment or other punishment imposed on the person convicted or for the restoration of any property to any person, and the re-vesting in case of any such conviction in the original owner or his personal representative of the property in stolen goods, such order shall continue to be suspended until the determination of the appeal if notice of appeal, or notice of application for leave to appeal is given within thirty days of the date of the conviction.

(2) In cases where the operation of an order is suspended until the determination of the appeal, the order shall not take effect if the conviction is quashed on appeal.

(3) The Court of Appeal may by order annul or vary any order made by the court before which the appellant was convicted, for the payment of compensation or of any other expenses of the prosecution or for the imprisonment or other punishment imposed on the person convicted or for the restoration of any property to any person although the conviction is not quashed, and the order, if annulled, shall not take effect, and, if varied, shall take effect as so varied.

PART IV.—APPEALS IN CRIMINAL CASES FROM THE HIGH COURT SITTING IN ITS APPELLATE JURISDICTION

Application of Part IV.

25. This Part shall apply to the exercise of the jurisdiction of the Court of Appeal to hear appeals from decisions of the High Court in criminal causes or matters in which an appeal has been brought to the High Court from some other court.

Determination of an appeal.

26. On the hearing of an appeal under this Part the Court of Appeal may exercise any power that could have been exercised by the High Court or may order the case to be re-tried by a court of competent jurisdiction.

Court of Appeal

PART V.—PROCEDURE

27. (1) Where a person desires to appeal to the Court of Appeal, he shall give notice of appeal or notice of his application for leave to appeal in such manner as may be directed by rules of court within the period prescribed by the provision of sub-section (2) of this section that is applicable to the case.

Time for appealing.

(2) The periods for the giving of notice of appeal or notice of application for leave to appeal are—

(a) in an appeal in a civil cause or matter, fourteen days where the appeal is against an interlocutory decision and three months where the appeal is against a final decision;

(b) in an appeal in a criminal cause or matter, thirty days, from the date of the decision appealed against.

(3) Where an application for leave to appeal is made in the first instance to the court below, a person making such application shall, in addition to the period prescribed by sub-section (2) of this section, be allowed a further period of fifteen days, from the date of the hearing of the application by the court below, to make an application to the Court of Appeal.

(4) The Court of Appeal may extend the periods prescribed in sub-section (2) of this section except in the case of a conviction involving the sentence of death.

28. The Court of Appeal may at any time assign counsel to an appellant in any appeal or proceedings preliminary or incidental to an appeal in which, in the opinion of the Court, it appears desirable in the interest of justice that the appellant should have legal assistance, and that he has not sufficient means to enable him to obtain that assistance.

Legal assistance to appellant.

29. In the exercise of its jurisdiction, the Court of Appeal may, if it thinks it necessary or expedient in the interest of justice—

Supplemental powers of Court of Appeal.

(a) order the production of any document, exhibit, or other thing connected with the proceedings, the production of which appears to it necessary for the determination of the case;

(b) order any witnesses who would have been compellable witnesses at the trial to attend and be examined before the Court, whether they were or were not called at the trial, or order the examination of any such witnesses to be conducted in manner provided by rules of court, or, in the absence of rules of court making provision in that behalf, as it may direct, before any judge of the Court of Appeal or before any officer of the Court or other person appointed by the Court for the purpose, and allow the admission of any depositions so taken as evidence before the Court;

(c) receive the evidence, if tendered, of any witness (including the appellant) who is competent but not compellable witness, and, if the appellant makes an application for the purpose, of the husband or wife of the appellant, in cases where the evidence of the husband or wife could not have been given at the trial except on such an application; and

(d) where any question arising on the appeal involves prolonged examination of documents or accounts, or any scientific or local investigation, which cannot in the opinion of the Court conveniently be conducted before the Court, order the reference of the question in manner provided

by rules of court, or in the absence of rules of court making provision in that behalf, as it may direct, for enquiry and report, to a special commissioner appointed by the Court, and act upon the report of any such commissioner so far as it thinks fit to adopt it; and exercise in relation to the proceedings of the Court any other powers which may for the time being be prescribed by rules of court, and issue any warrants necessary for enforcing the orders or sentences of the Court:

Provided that in no case shall a sentence be increased by reason of or in consideration of any evidence that was not given at the trial.

Right of
appellant to
be present.

30. (1) On the hearing of an appeal in a criminal cause or matter, an appellant notwithstanding that he is in custody, shall be entitled to be present, if he so desires, except where the appeal is on some ground involving a question of law alone, but in that case, and on an application for leave to appeal and on any proceedings preliminary or incidental to an appeal, he shall not be entitled to be present, unless where rules of court provide that he shall have the right to be present or where the Court of Appeal gives him leave to be present.

(2) The power of the Court of Appeal to pass any sentence under this Edict may be exercised notwithstanding that the appellant is for any reason not present.

Provided that the Court may direct that he be brought before the Court in any case where, in the opinion of the Court, his presence is advisable for the due determination of the appeal, in which event such expenses as aforesaid shall be defrayed out of general revenue.

(4) An appellant who does not appear at the hearing of his appeal or application for leave to appeal by counsel, may present his appeal or argument in writing and any appeal or argument so presented shall be considered by the Court of Appeal.

Admission of
appellant to
bail and date
of sentence.

31. (1) The Court of Appeal may, if it thinks fit, on the application of an appellant, admit the appellant to bail pending the determination of his appeal.

(2) The time during which an appellant, pending the determination of his appeal, is admitted to bail shall not count as part of any term of imprisonment under his sentence and, any imprisonment under the sentence of an appellant, whether it is the sentence passed by the trial court or the sentence passed by the High Court on appeal or the sentence of the Court of Appeal, shall, subject to any direction which may be given by the Court, be deemed to be resumed or to begin to run, as the case requires, from the day on which he is received into prison under the sentence.

Court of Appeal

32. If it appears to the Registrar that any notice of appeal against a conviction purporting to be on a ground of appeal which involves a question of law alone, does not show any substantial ground of appeal, the Registrar may refer the appeal to any judge of the Court of Appeal and such judge may, if he is of the same opinion, direct the Registrar to refer the appeal to the Court of Appeal for summary determination, and, when the case is so referred, the Court may if it considers that the appeal is frivolous or vexatious, and can be determined without adjourning the same for a full hearing, dismiss the appeal summarily without calling on any persons to attend the hearing or to appear for the State thereon.

Procedure with respect to frivolous or vexatious appeals on questions of law.

PART VI.—MISCELLANEOUS AND TRANSITIONAL PROVISIONS.

33. Power to send back a case for amendment.

34. Subject to the provisions of section 35, where in any existing law in force in the Region immediately before the 1st day of April, 1967, reference is made to, or to any matter in relation to, any right of appeal to the Supreme Court, with or without leave, from any decision of the High Court given in the exercise of its original or appellate jurisdiction, such reference shall, as from the 1st day of April, 1967, be construed as a reference to, or to such matter in relation to, a right of appeal, with or without leave, as the case may be, from a decision of the High Court to the Court of Appeal in the first instance, and further similarly from a decision of the Court of Appeal to the Supreme Court, in accordance with the existing law relating thereto, and accordingly, any existing law as aforesaid shall be construed with such modifications (whether by way of addition, alteration or omission) as may be necessary to bring the same into conformity with the provisions of this Edict, the Constitution of the Federation and the Constitution of Western Nigeria.

Adaptation of existing laws in force in the Region with respect to right of appeal from the High Court to the Supreme Court.

35. (a) *Scholarship Examination.* Candidates for the Post-secondary awards including special awards for graduate teachers, sub-degree and professional courses will be required to sit to an objective examination. There will no longer be regulation 18 awards. Undergraduates and those already pursuing sub-degree and professional courses in Universities and Higher Institutions, excluding those on Preliminary and Pre-sessional courses, will not be required to sit to an examination, but will be eligible for consideration of awards on the basis of their performances in their respective Universities.

(b) *Form of Examination.* The examination will consist of two papers each of three hours.

*Paper I—English Language—*to test the candidates' power of communication and comprehension.

Paper II—General Paper based on questions in that particular subject which the candidate proposes to study.

(c) *Examination Centres.* The examination will take place at 9.00 a.m. on 22nd July, 1967 at the following centres: Ibadan; Lagos; Ife; Zaria; Akure; Benin; London and Bonn. Candidate should indicate the centre he likes on his form. Provision will be made for candidates to sit the examination at the centres specified.

4. (a) There will be an examination fee of ten shillings (10s) each, payable to any Western Nigeria Government Sub-Treasury. Candidates should obtain a Treasury Receipt which should be forwarded along with the completed scholarship application forms. Those candidates not near a Treasury,

should send 10s postal order addressed to the Accountant-General, Western Nigeria. Further necessary details of the examination will be included on the application form.

4. (b) (i) *Method of applying for scholarship forms.* Candidates who want application forms to be sent to them by post from the Ministry of Education, Ibadan should attach a self-addressed envelope marked 'SCHOLARSHIP GWN 1967' in the left hand corner with the Treasury Receipt for 10s when applying for the forms. Prospective candidates are required to fill only one copy of the application form.

(b) (ii) Application forms must be returned direct to the Permanent Secretary, Ministry of Education (Students' Section), Ibadan, Western Nigeria through Heads of Departments in the case of Government employees, and in other cases through Principals of Schools and Colleges or through employers as appropriate, and should be received in the Ministry not later than 30th June, 1967. For Post-graduate candidates *only*, the closing date is August, 10.

(b) (iii) In the case of overseas candidates, applications should be returned to the London Office, addressed to the Education Attache, Nigeria High Commission, 178/202 Great Portland Street, London, W. 1.

5. (a) (i) *Academic Qualification.* Applicants for degree courses must possess the General Certificate of Education (Advanced Level) in at least two subjects passed preferably at one sitting and relevant to the course of study proposed by the candidate or two passes at the Principal Level in the Higher School Certificate in related subjects. In addition to the above, applicants must also have credit in English at the West African School Certificate or a pass in English in General Certificate of Education.

(a) (ii) Applicants for non-graduate and technical courses must possess at least the West African School Certificate Grade I or Grade II or its equivalent (with credits in English and Science subjects for technical courses) or the relevant professional qualification for entry into the proposed course of study.

(b) In addition to submitting scholarship applications, candidates are expected to apply for admission direct to institutions of their choice. This applies in particular to candidates wishing to study subjects available in Nigerian and West African institutions of higher learning. Applicants for courses tenable overseas are also advised, in their own interest, to apply for provisional admission in institutions of their choice. Where they fail, successful candidates will be assisted by the Ministry in securing admission. Candidates should generally acquaint themselves with the conditions of admission to their courses of study. In the case of successful candidates who produce evidence of admission to overseas institutions, the Scholarship Board would confirm such admission through the Nigeria High Commission, London or the appropriate Embassy in the country concerned.

(c) Similarly, in cases of other courses of study which are not available in Nigeria or West Africa, arrangements will be made, at Government's discretion, to place successful candidates in overseas institutions. It is necessary to draw the special attention of candidates who wish to apply from outside West Africa to the fact that they will not be awarded scholarships tenable abroad, if the study or training in their chosen fields can be pursued in Nigerian or

West African institutions. Such candidates are therefore advised to apply promptly for admission to Nigerian or West African institutions of higher learning.

6. *Post-graduate.* Applicants for post-graduate degrees must have obtained first or second class honours in their first degrees (upper segment where the second class is divided into upper and lower) except in such courses where examination results are not graded, e.g., Medicine.

7. Photostat copies of certificates must be attached to the applications and these may be retained for the information of the Scholarship Selection Board. This office will not be responsible for originals of certificates forwarded for its use. Candidates should therefore not send their original certificates at the initial stage. They will be required later at the time of interview.

8. Candidates may not apply for more than one available award. Scholarship application forms are obtainable from:

(i) The Permanent Secretary, Ministry of Education (Students' Section), Ibadan.

WESTERN STATE NOTICE NO. 631

COUNCIL OF LEGAL EDUCATION

INFORMATION CIRCULAR NO. 4

The English Council of Legal Education has announced its intention to change the Form and Syllabus of the Part I of the Bar Examination to ensure that the course for Part I of the Bar Examination is a course of not less than two years duration for non-graduates. The effect of this is that as a general rule no non-graduate student will be able to obtain the Bar Finals in less than three years.

2. The proposed changes will come into operation at the beginning of the academic year commencing in October 1967 and will apply compulsorily to all students who join an Inn of Court after 1st September, 1967.

3. These changes have substantially met the objections of the Nigerian Council of Legal Educa-

tion which led the Nigerian Council to refuse to recognise the passing of the English Bar Final Examination alone as sufficient qualification for admission to the Nigerian Law School (Government Notice No. 1056).

4. Accordingly, in view of the proposed change notice is hereby given that the passing of the Bar Finals *until now* be recognised by the Nigerian Council of Legal Education as complying with sections 3 and 4 (as amended by the Legal Education (Amendment) Decree, 1966) of the Legal Education Act, 1962 and thereby qualifying for admission to the Nigerian Law School: PROVIDED such a student was *not* admitted as a member of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive.

5. Student admitted as members of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive will still be required to possess a degree (not necessarily in Law) *in addition* to the Bar Finals before they could be admitted to the Nigerian Law School.

6. The above notice (which now reverts to sub-paragraph (a) of paragraph 2 of Government Notice No. 955 and sub-paragraph (a) of paragraph 12 of Government Notice No. 2284) should be read in the light of earlier Information Circulars (Government Notices No. 955 and No. 2284 respectively) issued by the Council.

7. In all other respects, the Council's policy and practice as stated in those Circulars remain unchanged.

By the Authority of the Council of Legal Education.

A. A. ADEMOLA,
Chairman

WESTERN STATE NOTICE NO. 631 (2nd publication)

COUNCIL OF LEGAL EDUCATION
INFORMATION CIRCULAR NO. 4

The English Council of Legal Education has announced its intention to change the Form and Syllabus of the Part I of the Bar Examination to ensure that the course for Part I of the Bar Examination is a course of not less than two years duration for non-graduates. The effect of this is that as a general rule no non-graduate student will be able to obtain the Bar Finals in less than three years.

2. The proposed changes will come into operation at the beginning of the academic year commencing in October 1967 and will apply compulsorily to all students who join an Inn of Court after 1st September, 1967.

3. These changes have substantially met the objections of the Nigerian Council of Legal Education which led the Nigerian Council to refuse to recognise the passing of the English Bar Final Examination alone as sufficient qualification for admission to the Nigerian Law School (Government Notice No. 1056).

4. Accordingly, in view of the proposed changes, notice is hereby given that the passing of the Bar Finals will now be recognised by the Nigerian Council of Legal Education as complying with sections 3 and 4 (as amended by the Legal Education (Amendment) Decree, 1966) of the Legal Education Act, 1962 and thereby qualifying for admission to the Nigerian Law School: PROVIDED such a student was not admitted as a member of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive.

5. Student admitted as members of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive will still be required to possess a degree (not necessarily in Law) in addition to the Bar Finals before they could be admitted to the Nigerian Law School.

6. The above notice (which now reverts to sub-paragraph (a) of paragraph 2 of Government Notice No. 955 and sub-paragraph (a) of paragraph 12 of Government Notice No. 2284) should be read in the light of earlier Information Circulars (Government Notices No. 955 and No. 2284 respectively) issued by the Council.

7. In all other respects, the Council's policy and practice as stated in those Circulars remain unchanged.

By the Authority of the Council of Legal Education.

A. A. ADEMOLA,
Chairman

COUNCIL OF LEGAL EDUCATION

INFORMATION CIRCULAR NO. 4

The English Council of Legal Education has announced its intention to change the Form and Syllabus of the Part I of the Bar Examination to ensure that the course for Part I of the Bar Examination is a course of not less than two years duration for non-graduates. The effect of this is that as a general rule no non-graduate student will be able to obtain the Bar Finals in less than three years.

2. The proposed changes will come into operation at the beginning of the academic year commencing in October 1967 and will apply compulsorily to all students who join an Inn of Court after 1st September, 1967.

3. These changes have substantially met the objections of the Nigerian Council of Legal Education which led the Nigerian Council to refuse to recognise the passing of the English Bar Final Examination alone as sufficient qualification for admission to the Nigerian Law School (Government Notice No. 1056).

4. Accordingly, in view of the proposed changes, notice is hereby given that the passing of the Bar Finals *will now* be recognised by the Nigerian Council of Legal Education as complying with sections 3 and 4 (as amended by the Legal Education (Amendment) Decree, 1966) of the Legal Education Act, 1962 and thereby qualifying for admission to the Nigerian Law School: PROVIDED such a student was not admitted as a member of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive.

5. Student admitted as members of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive will still be required to possess a degree (not necessarily in Law) *in addition* to the Bar Finals before they could be admitted to the Nigerian Law School.

6. The above notice (which now reverts to sub-paragraph (a) of paragraph 2 of Government Notice No. 955 and sub-paragraph (a) of paragraph 12 of Government Notice No. 2284) should be read in the light of earlier Information Circulars (Government Notices No. 955 and No. 2284 respectively) issued by the Council.

7. In all other respects, the Council's policy and practice as stated in those Circulars remain unchanged.

By the Authority of the Council of Legal Education.

A. A. ADEMOLA,
Chairman

COUNCIL OF LEGAL EDUCATION

INFORMATION CIRCULAR NO. 4

The English Council of Legal Education has announced its intention to change the Form and Syllabus of the Part I of the Bar Examination to ensure that the course for Part I of the Bar Examination is a course of not less than two years duration for non-graduates. The effect of this is that as a general rule no non-graduate student will be able to obtain the Bar Finals in less than three years.

2. The proposed changes will come into operation at the beginning of the academic year commencing in October 1967 and will apply compulsorily to all students who join an Inn of Court after 1st September, 1967.

3. These changes have substantially met the objections of the Nigerian Council of Legal Education which led the Nigerian Council to refuse to recognise the passing of the English Bar Final Examination alone as sufficient qualification for admission to the Nigerian Law School (Government Notice No. 1056).

4. Accordingly, in view of the proposed changes, notice is hereby given that the passing of the Bar Finals will now be recognised by the Nigerian Council of Legal Education as complying with sections 3 and 4 (as amended by the Legal Education (Amendment) Decree, 1966) of the Legal Education Act, 1962 and thereby qualifying for admission to the Nigerian Law School: PROVIDED such a student was not admitted as a member of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive.

5. Student admitted as members of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive will still be required to possess a degree (not necessarily in Law) in addition to the Bar Finals before they could be admitted to the Nigerian Law School.

6. The above notice (which now reverts to sub-paragraph (a) of paragraph 2 of Government Notice No. 955 and sub-paragraph (a) of paragraph 12 of Government Notice No. 2284) should be read in the light of earlier Information Circulars (Government Notices No. 955 and No. 2284 respectively) issued by the Council.

7. In all other respects, the Council's policy and practice as stated in those Circulars remain unchanged.

By the Authority of the Council of Legal Education.

A. A. ADEMOLA,
Chairman
