THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF MID-WESTERN NIGERIA

The 1967 competition for entry to the Administrative and Special Departmental Classes of Mid-Western Nigeria Public Service will start in March, 1967. 3. In order to be eligible to enter for the competition, a candidate who is not already in the public service of Mid-Western Nigeria must either possess the following qualifications or intend to sit in 1967 for the final examinations leading to them:—

Notes for the guidance of candidates drawn up by the West African Examination Council will be issued to all candidates in due course. The examination will comprise the following papers:—

- (ii) *Current Affairs.*—Candidates will be required to answer four out of ten questions which will cover a wide field in order to cater for all possible types of candidates. The questions are designed to test the intelligent awareness of current affairs which any educated person may be presumed to possess;
- (iii) *General.*—This will consist of two questions. The first, known as the Logical Force passage, will test ability to detect dubious thinking and the second, known as Statistical Inference question, will test ability to draw correct inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1967, in Lagos, Ibadan, Enugu, Benin City, Onitsha, Zaria, Accra, Freetown, London, Washington and at such other centres as may be determined later. 4. (a) There will be an examination fee of ten shillings (10/-) each, payable to any Western Nigeria Government Sub-Treasury. Candidates should obtain a Treasury Receipt which should be forwarded along with the completed scholarship application forms. Those candidates not near a Treasury, should send ten shillings (10/-) postal order addressed to the Accountant-General, Western Nigeria. Further necessary details of the examination will be included on the application form.

4. (b.i) *Method of applying for scholarship forms*.—Candidates who want application forms to be sent to them by post from the Ministry of Education, Ibadan should attach a self-addressed envelope marked 'SCHOLARSHIP GWN 1967' in the left hand corner with the Treasury Receipt for ten shillings (10/-) when applying for the forms. Prospective candidates are required to fill only one copy of the application form.

(b.ii) Application forms must be returned direct to the Permanent Secretary, Ministry of Education, (Students' Section), Ibadan, Western Nigeria through Heads of Departments in the case of Government employees, and in other cases through Principals of Schools and Colleges or through employers as appropriate, and should be received in the Ministry not later than 30th June, 1967. For Post-graduate candidates only, the closing date is August, 10th.

(b.iii) In the case of Overseas candidates, applications should be returned to the London Office, addressed to the Education Attache, Nigeria High Commission, 178/202 Great Portland Street, London, W.1.

5. (a.i) *Academic qualification*.—Applicants for degree courses must possess the General Certificate of Education (Advanced Level) in at least two subjects passed preferably at one sitting and relevant to the course of study proposed by the candidate or two passes at the Principal Level in the Higher School Certificate in related subjects. In addition to the above, applicants must also have credit in English at the West African School Certificate or a pass in English in General Certificate of Education.

(a.ii) Applicants for non-graduate and technical courses must possess at least the West African School Certificate Grade I or Grade II or its equivalent (with credits in English and Science subjects for technical courses) or the relevant professional qualification for entry into the proposed course of study.

(b) In addition to submitting scholarship applications, candidates are expected to apply for admission direct to institutions of their choice. This applies in particular to candidates wishing to study subjects available in Nigeria and West African institutions of higher learning. Applicants for courses tenable overseas are also advised, in their own interest, to apply for provisional admission in institutions of their choice. Where they fail, successful candidates will be assisted by the Ministry in securing admission. Candidates should generally acquaint themselves with the conditions of admission to their courses of study. In the case of successful candidates who produce evidence of admission to overseas institutions, the Scholarship Board would confirm such admission through the Nigeria High Commission, London or the appropriate Embassy in the Country concerned.

(c) Similarly, in cases of other courses of study which are not available in Nigeria or West Africa, arrangements will be made, at Government's discretion, to place successful candidates in overseas institutions. It is necessary to draw the special attention of candidates who wish to apply from outside West Africa to the fact that they will not be awarded scholarships tenable abroad, if the study or training in their chosen fields can be pursued in Nigerian or West African institutions. Such candidates are therefore advised to apply promptly for admission to Nigerian or West African institutions of higher learning.

6. *Post-Graduate*.—Applicants for post-graduate degrees must have obtained first or second class honours in their first degrees (upper segment where the second class is divided into upper and lower) except in such courses where examination results are not graded, e.g., Medicine.

7. Photostat copies of certificates must be attached to the applications and these may be retained for the information of the Scholarship Selection Board. This Office will not be responsible for originals of certificates forwarded for its use. Candidates should therefore not send their original certificates at the initial stage. They will be required later at the time of interview.

Mid-Western Nigeria Notice No. 685

COUNCIL OF LEGAL EDUCATION

INFORMATION CIRCULAR No. 4

1. The English Council of Legal Education has announced its intention to change the Form and Syllabus of the Part I of the Bar Examination to ensure that the course for Part I of the Bar Examination is a course of not less than two years duration for non-graduates. The effect of this is that as a general rule no non-graduate student will be able to obtain the Bar Finals in less than three years.

2. The proposed changes will come into operation at the beginning of the academic year commencing in October 1967 and will apply compulsorily to all students who join an Inn of Court after 1st September 1967.

3. These changes have substantially met the objections of the Nigerian Council of Legal Education which led the Nigerian Council to refuse to recognise the passing of the English Bar Final Examination alone as sufficient qualification for admission to the Nigerian Law School (Government Notice No. 1056).

4. Accordingly, in view of the proposed changes, notice is hereby given that the passing of the Bar Finals will now be recognised by the Nigerian Council of Legal Education as complying with Sections 3 and 4 (as amended by the Legal Education (Amendment) Decree, 1966) of the Legal Education Act, 1962 and thereby qualifying for admission to the Nigerian Law School. Provided such a student was not admitted as a member of an Inn of Court between 1st June, 1965 and 31st August 1967 inclusive.

5. Students admitted as members of an Inn of Court between 1st June, 1965 and 31st August, 1967 inclusive will still be required to possess a degree (not necessarily in Law) in Addition to the Bar Finals before they could be admitted to the Nigerian Law School.

6. The above notice (which now reverts to sub-paragraph (a) of paragraph 2 of Government Notice No. 955 and sub-paragraph (a) of paragraph 12 of Government Notice No. 2284) should be read in the light of earlier Information Circulars (Government Notices No. 955 and No. 2284 respectively) issued by the Council.

7. In all other respects, the Councils policy and practice as stated in those Circulars remain unchanged.

By the Authority of the Council of
Legal Education.

Mid-Western Nigeria Notice No. 751

OKHUE STREAM
PROPOSED GOVERNMENT
FOREST RESERVE (IRRUA-UROMI)
SETTLEMENT COURT HELD IN
THE COURT HALL, UBIAJA,
ON FRIDAY, 5TH MAY, 1967

Present:

1. K. Mordi.—Reserve Settlement Officer.
2. P. A. Abusomwan.—Forest Officer, Ubiaja.
3. J. A. O. Kio.—Forest Ranger, Interpreter.
4. H.H. Chief Okogie II, the Onogie of Uromi.—representing Uromi-Uzea.
5. Chief Iyasere of Awo.—representing Uromi-Uzea.
6. Chief P. E. Okpbehlo, the Edehe of Udomi, Uwesan, Irrua.—delegated by elders of Mr S. Ariakhan of Udomi.—delegated by elders of

- (i) Udomi
- (ii) Olhue
- (iii) Afuda
- (iv) Ibolulu
- (v) Ujabhole
- (vi) Unogbo
- (vii) Idebhohodor
- (viii) Idumeza.

2. Limitation of proposed reserve:

- (a) There was no objection to the extent of the proposed Reserve as published in Mid-Western Nigeria Gazette No. 747 of 1966.

Judgement

- (b) I confirm the limitations of the proposed Forest Reserve as described in Mid-Western Nigeria Notice No. 747 of 1966.

3. Proposed name of reserve: Okhue Stream Government Forest Reserve.

There was unanimous objection to the proposed name. The principle of naming a Forest Reserve after any permanent natural feature in the Reserve was explained.

- (a) The Uromi/Uzea representatives claimed absolute ownership of the Okhue Stream for the Uromi people. This was not disputed. They argued that since this was so, the proposed name was rather not all embracing and in due course it may be cause for unrest having regard to the idiosyncracies of the populace.
- (b) Irrua representatives accepted above and would like a neutral name, preferably retaining the compound name Irrua-Uromi Forest Reserve.
- (c) After long discussions the name UKORLU was suggested and accepted by all. Ukorlu was the original name given to this forest area which served as a place of refuge during war in early days. It was so called by both the Uromi and Irrua people.
- (d) There was a marked dissatisfaction about including the word "Government" in the name of the reserve. It was explained that this was to distinguish it from Local Government Council Forests. Nonetheless they would rather prefer the elimination of the word "Government."

(e) Observation:

- (i) Ukorlu is not a natural feature but a name given to the forest area from time immemorial. The name has historical associations and is meaningful to the people.
- (ii) The inclusion or non-inclusion of the word 'Government' seems to me not to be very material. The forest area has been under protection for long and the people respect it. To them forest reserves are reserves—but the deliberate addition of the word 'Government' was fraught with all disconcerting possibilities. I do not foresee any administrative difficulties in not including the word "Government", since indeed the people do not know the difference between Government Forest Reserves and Local Government Council Forest Reserves. They respect all reserves equally.

(f) Judgement:

I uphold the objections. The name of the reserve shall be UKORLU FOREST RESERVE.

4. Claims:

A. Right to fish in Okhue Stream:

- (a) People fish there now very sparingly but it was desired to write into the law the right to fish as a safeguard against any eventuality. The villages to enjoy this privilege are:—

- | | |
|--|------------------|
| <ol style="list-style-type: none"> (i) Eko-Ugbojum (ii) Eko-Ukokhe (iii) Awo (iv) Aro (v) Olhue (vi) Udomi | } in Uromi/Uzea. |
|--|------------------|

(b) Observation:

The villages enumerated are not more than one mile from the stream.

(c) Judgement:

The right to fish is granted to the villages listed.

B. Right to draw water:

- (a) The inhabitants of the villages listed in (1) above draw water from the Okhue stream for domestic purposes.
- (b) Observation.—Right to draw water for ordinary domestic purposes or for the want of their cattle is a fundamental right for riparian owners.
- (c) Judgement.—The right to draw water for ordinary domestic purposes is granted to the villages listed at (i) - (vi).

C. Hunting:

- (a) People hunt in the forest now. They asked that they should be allowed to continue hunting since it was one of their main sources of revenue.
- (b) Observation.—The hazards inherent in hunting are not compatible with the prohibitions of the Forestry Law. Besides there is the danger of a complete extirpation of wild life.
- (c) Judgement.—The right to hunt is not granted.

D. Serving Juju :

- (a) There is no shrine in the area now or any sacred tree.
- (b) *Observation.*—The attribution of a soul to natural objects and phenomena is a continuing process amongst people so inclined. Nonetheless it is unlikely that in the foreseeable future there will be the need to declare any object or space sacrosanct for purposes of worship.
- (c) *Judgement.*—No right exists. The right to serve juju is not granted.

E. Right to reside :

- (a) There are no persons living in the forest area now.
- (b) *Observations.*—The villages in the periphery of the reserve are small. The rate of their growth is also small since there is the usual exodus to the cities. Besides should there be need for expansion, there will be no necessity to encroach on the reserves.

F. Farming :

- (a) People do not farm there now.
- (b) *Observation.*—With the introduction of Taungya Farming, it is possible to do some arable farming in a reserve.
- (c) *Judgement.*—Right to farm is not granted but the privilege of participation in taungya farming, should this method of regeneration be adopted by the Ministry of Agriculture and Natural Resources should be extended to the inhabitants of *a(i - vi)* villages.

G. Sticks for supporting Yams :

- (a) Permission was asked for little sticks to be cut for supporting yams. These will supplement whatever would be got from the areas to be cleared during the taungya farming.
- (b) *Observation.*—There is a great risk involved in this as young forest trees being nurtured will inevitably be cut.
- (c) *Judgement.*—Right to cut supporting sticks for yams is not granted.

H. Thatch leaves.

- (a) A number of persons have thatch leaf plantations, notable amongst whom are :—
(i) Audu Okoduwa,
(ii) O. Okojie, and
(iii) Ogbogun.
The areas of these farms were not known but it was averred they have been existing for many years.
- (b) *Judgement.*—Right to collect the thatch leaves is granted to Messrs.:—
(i) Audu Okoduwa,
(ii) O. Okojie, and
(iii) Ogbogun,
provided that their plantations will not be expanded.

I. Right to collect ropes :

- (a) Ropes are taken for domestic purposes.
- (b) *Judgement.*—Right to collect ropes except, Ikan (calamus) is granted.

J. Kola Nuts :

- (a) There are only three Kola trees (*Cola acuminata*) owned by a certain Arikhan Orukpe of Irrua.
- (b) *Observation.*—The number of the trees is few to make the yields of the Kola Nut trees have any worth while economic value. There can however be no doubt that the owner enjoys them.
- (c) *Judgement.*—An Agricultural Officer should evaluate the trees with a view to paying compensation to Mr A. Orukpe, who thereafter shall forfeit all rights to the said trees.

J. Ducca Nuts (*Irvingia gabonensis*)—Called Ogui in Benin :

- (a) People particularly women collect these nuts for domestic purposes.
- (b) *Judgement.*—Right to continue collection of the nuts is granted to the inhabitants of—
(i) Eko-Ugbojum
(ii) Eko-Ukokhe
(iii) Awo
(iv) Aro
(v) Ohue
(vi) Udomi

L. Right of way :

- (a) The following roads are presently in use :—
(i) Uromi-Uzea motor road
(ii) Ohue-Enogho Camp foot path.
- (b) *Observation.*—These are easements of necessity.
- (c) *Judgement.*—Right to way on the 1967 Uromi-Uzea motor road is granted to the general public. Right of ways on the 1967 Ohue-Enogho Camp foot path is granted to the inhabitants of Ohue and Enogho villages.

M. Gravels :

- (a) Gravels are not dug now.
- (b) *Judgement.*—Right to dig or collect gravels is not granted.

N. Picking of Snails :

- (a) With the deprivation of hunting rights the only next best source of flavour for the family dishes will be the use of snails. Women pick these without any weapons.
- (b) *Judgement.*—Right to pick snails is granted to :—
(i) Eko-Ugbojum
(ii) Eko-Ukokhe
(iii) Awo
(iv) Aro
(v) Ohue
(vi) Udomi.

Mid-Western Nigeria Notice No. 752

OGWA PROPOSED GOVERNMENT FOREST RESERVE

SETTLEMENT COURT HELD IN THE
COUNCIL HALL EBELLE ON SATURDAY
6th MAY, 1967

Present :

- | | |
|--------------------|-----------------------------|
| 1. K. Mordi | Reserve Settlement Officer |
| 2. P. A. Abusomwan | Forest Officer, Ubiaja |
| 3. J. A. O. Kio | Forest Ranger: Interpreter. |
| 4. Chief Imaralu | the Onogie of Ogwa |
| 5. Chief Itua | the Oliha of Ogwa |
| 6. Chief Enomiegen | the Uwungue of Ogwa |
| 7. Chief Imafidon | the Idogun of Ogwa |
| 8. Chief Ohue | the Enohore of Ogwa |
| 9. Chief Etute | the Ihama of Ogwa |

2. Limitations of the proposed Reserve :

(a) There were no objections to the limitations of the proposed reserve as published in M/W. Nigeria Notice No. 746 of 1966.

(b) *Judgement* : I confirm the limitations of the proposed Reserve as described in Midwestern Nigeria Notice No. 746 of 1966.

3. Name : Ogwa Government Forest Reserve

(a) The name was acceptable to the people but were not happy about the inclusion of the word "Government". They believe the addition of the word "Government" would dispose them of the land in perpetuity. Although they do not exercise any rights on the land now being a protected forest, nonetheless they have a sense of belonging and possession which would be destroyed as soon as the word Government is deliberately introduced.

(b) Observations :

(i) The principle preferred for naming Forest Reserves is to take a prominent natural feature therein and call the Forest Reserve after it. Unfortunately there is not outstanding feature in the forest. The only lake there called Odighiri (which is the Ishan word for lake and so has really no definitive meaning) is rather small and is of no great importance to the people.

(ii) Ogwa is the village, the inhabitants of which own the proposed forest area. To call the reserve Ogwa Forest Reserve is acceptable to the people since it perpetuates their name.

(iii) The inclusion or non-inclusion of the "Government" seems to me not to be very material. The proposed reserve has been under protection for long, and there has not been frequent cases of abuse. The people respect the area.

(c) *Judgement* : The name of the Forest Reserve shall be Ogwa Forest Reserve.

4. Claims :

A. (a) Right to fish :

The only body of water there is a small lake called Odighiri. There are no fishes in it. So people do not fish there.

(b) *Judgement* : No privilege is enjoyed now. Accordingly no right is confirmed.

B. Right to draw water :

(a) The lake Odighiri provides the only source of clear water for domestic purposes.

(b) *Observations* : Riparian owners are normally allowed to draw water for ordinary domestic purposes.

(c) *Judgement* : The right to draw water for ordinary domestic purposes is granted to the inhabitants of Ogwa village.

C. Right to hunt :

(a) People hunt there now. They expressed a strong desire to be allowed to continue hunting since it was a valuable source of revenue for them and provided them also with meat for food.

(b) *Observations* : The hazards inherent in hunting are not compatible with the prohibitions of the Forestry Law. There is also the need to preserve what is left of the wild life in Ishan since most common animals are now difficult to find e.g. monkeys.

(c) *Judgement* : Right to hunt is not granted.

D. Right to Farm :

(a) Since the forest area was declared protected forest, people were not allowed to farm there. They however expressed a strong desire to cultivate the rich soil.

(b) *Judgement* : Right to farm is not granted, but the privilege of participating in taungya farming, should this method of regeneration be adopted by the Ministry of Agriculture and Natural Resources should be extended to the inhabitants of Ogwa.

E. Right to way :

(a) The following roads and footpaths are in use. They traverse the reserve.

(i) Ebelle-Ogwa-Ujogba Motor Road.

(ii) Ukpogo-Ogwa-Odighiri footpath.

(iii) Idumasibor-Amagbede footpath.

(b) *Observations* : Evidence showed these are easements of necessity.

(c) *Judgement* :

(i) Right of way on the 1967 Ebelle-Ogwa-Ujogba motor Road is granted to the general public.

(ii) Right of way on the 1967 Ukpogo-Ogwa-Odighiri foot path and the 1967 Idumasibor-Amagbede foot path is granted to the inhabitants of Ogwa.

F. Right to collect :

(a) (i) Ducca Nuts (*Irvingia gabonensis*)

(ii) Kola Nuts (*Cola acuminata*)

(iii) Native Pear (*Pachylobus edulis*).

(b) *Observations* : There are no plantations of these but they occur in the forest area, especially along the Ebelle-Ogwa-Ujogba motor road.

(c) *Judgement* : Continued right to collect the fruits of

(i) Ducca Nuts (*Irvingia gabonensis*)

(ii) Kola Nuts (*Cola acuminata*)

(iii) Native Pear (*Pachylobus edulis*) is granted to the inhabitants of Ogwa village.

G. Thatch Leaves :

- (a) There are forms of these but none is of worthwhile expanse.
- (b) **Judgement :** Right to collect thatch leaves is granted to the people of Ogwa village but the farms should not be extended.

H. Ropes :

- (a) These are collected for domestic purposes.
- (b) **Judgement :** Right to collect ordinary ropes except Ikan (Calamus) is granted to the inhabitants of Ogwa village.

I. Snails, picking of :

- (a) With the deprivation of hunting rights the only next cheap source of flavour for the family dishes will be the use of snails.
- (b) **Judgement :** Right to pick snails is granted to the inhabitants of Ogwa village.

J. Right to serve Juju :

- (a) There is no shrine or sacred tree worshipped.
- (b) **Observations :** The religious instinct in man expresses itself in various ways. Animism is particularly common amongst developing peoples.
- (c) **Judgement :** No privilege is enjoyed presently. No right is therefore granted.

(Sgd.) K. MORDI,
Reserve Settlement Officer

Mid-Western Nigeria Notice No. 753

OLOGHOLO-EMU-URHO PROPOSED FOREST RESERVE SETTLEMENT COURT HELD IN THE COURT HALL, UBAJAJA ON MAY, 5TH 1967

Present at the Court :

- (1) K. Mordi—Serve Settlement Officer.
- (2) P. A. Abusomwan—Forest Officer.
- (3) J. A. O. Kio—Forest Ranger; Interpreter.

Present :

1. (i) H.H. Chief Ojealkke—the Onogie of Emu. He represented also the Village Head of Urho, (Urho being under Emu).
- (ii) H.H. Chief Ekpenyen, the Onogie of Ologhoho.
- (iii) H.H. Chief Okewere, the Onogie of Illushi.

2. Proposed name of reserve: Urhobo River Government Forest Reserve.

- A. The proposed name was not acceptable to all
- (a) H.H. the Onogie of Emu approved of the name Urhobo River Forest Reserve (deleting the word Government) because Urhobo River flows through his domain and is popular amongst his people.
- (b) H.H. the Onogie of Ologhoho preferred the name Oken—F.R. Oken being a stream which not only flows through part of the reserve in his domain but is also worshipped as a god by his people.
- (c) H.H. the Onogie of Illushi supported the view of the Onogie of Ologhoho.

B. Observations :

- (i) Each Onogie wanted the Forest Reserve to be named after a natural feature in his own part of the reserve. The purpose is to claim superiority over others, an intangible point, the importance of which cannot be over emphasized amongst the natives.
- (ii) Besides, the name "Urhobo River" appears to me to be a misnomer and not an apt description having regard to the location of the Urhobo Tribe in the Delta Province.
- (iii) Accordingly the two names proposed "Urhobo River Forest Reserve" and "Oken Forest Reserve" would seem not to be acceptable.
- (iv) The compound name Ologhoho-Emu-Urhu Forest Reserve was unanimously accepted.
- (v) The word "Government" was not acceptable to the people. They did not know the difference between a Local Government Council Forest Reserve and a Government Forest Reserve. Reservation was reservation, but they would prefer eliminating the word "government".

C. Judgement :

- (i) I cannot envisage any administrative problems inherent in accepting a compound name. In the absence of any common outstanding natural feature which should have given the Forest Reserve an appropriate name, I accept the compound name Ologhoho-Emu-Urhu which shows the main villages involved in the reservation.
- (ii) The name of the Forest Reserve shall be "Ologhoho-Emu-Urhu Forest Reserve".

3. Limitations of the reserve :

- (i) There were no objections.
- (ii) **Judgement**—I confirm the limitations of the Ologhoho-Emu-Urhu proposed Forest Reserve as described in Mid-Western Nigeria Gazette Notice No. 745 of 1966.

Claims :

A. **Right to fish.**—Evidence showed that the inhabitants of Ologhoho, Emu, Urho and Illushi engaged in piscatorial activities in the following ponds

- (i) Odighiri
(ii) Oghoyo
(iii) Ebhale
(iv) Akhaba
(v) Ogodokpasu
(vi) Odegunne.

B. Also the inhabitants of Emu fish in the Urhobo River.

C. **Observation.**—There is no danger yet that our stocks of fishes are being exhausted to necessitate the prohibition of fishing in bush ponds and rivers.

(d) **Judgement.**—Right to fish in ponds itemised in (a) and (b) above, is granted to the inhabitants of the villages of Ologhoho, Emu, Urho and Illushi.

B. Right to draw water :

- (a) Evidence showed that the inhabitants of Ologhoho and Emu draw water from—
- (a) Edhaje Stream
(b) Urhobo River
for domestic purposes.

(b) *Observation* :

(i) Riparian owners are normally allowed to take and use water for ordinary domestic purposes.

(c) *Judgement*.—Right to draw water for ordinary domestic purposes is granted to the inhabitants of Ologholo and Emu.C. *Right to hunt* :

(a) Evidence showed that the people of the area have been hunting in the proposed Forest Reserve.

(b) *Observation*.—There is an obvious danger that our wild life is fast being extirpated and there is the need for conservation. Besides the provisions of Section 49(b)(c) and (d) of the law prohibits amongst other actions, stripping off the bark or leaves from any tree, setting fire to any grass or herbage. This makes it an extremely hazardous affair to allow hunters into the Reserve without the great risk of their violating any of the rules above.(c) *Judgement*.—Right to hunt is not granted.D. *Right to serve Juju*.

There are two shrines in the area.

(a) (*Oken Stream*) Juju—worshipped by the people of Ologholo, whose Chief Priest is Atarevbotor. There are no fixed times for the ceremonies. Events in the village determine whether the Juju would be consulted or not. There is a Kola Nut tree, which fronds and marks part of the shrine.(b) *Ijekhen Juju*.—(a piece of big Rock). Worshipped only on the assumption of office of any new Onogie of Ubiaja.(c) *Observations* : The religious instinct is innate in man. Animism is one of the ways of expressing this.(d) *Judgement* :

(i) The right to continue serving the Oken Juju and to collect the fruits of the kola nut tree which forms part of the shrine is granted to the inhabitants of Ologholo village.

(ii) The right to serve the Ijekhen Juju is also granted to the inhabitants of Ubiaja town.

E. *Right to reside* : There are no persons living in the proposed reserve now.*Judgement* : Right to reside therefore does not arise.F. *Thatch leaves and raphia mats* : These occur freely. They belong to nobody.*Judgement* : Right to remove Thatch leaves and raphia leaves is not granted.G. *Ropes* : Ropes are used for domestic purposes.*Judgement* : Right to take ropes except Ikan (*Calamus*) is granted to the inhabitants of Ologholo, Emu and Illushi.H. *Farming* : People do not farm in the area but they expressed the desire to be allowed to plant in the fertile soil.*Observation* : Until recently arable farming was the greatest enemy for any afforestation programme. But with the introduction of taungya farming, the two systems can now be worked together.*Judgement* : Right to farm is not granted but the privilege of participating in taungya farming should continue.I. *Ducca Nuts* : (*Irvingia gabonensis*) called Ogui in Benin. People especially women collect these for domestic purposes.*Judgement* : Right to collect ducca nuts is granted.J. *Right of way*

(a) There are foot paths used by the people which pass through the proposed reserve.

(i) Ologholo - Oken - Odighiri pond foot path

(ii) Ologholo - Edhaje Stream foot path.

(iii) Ologholo - Anam Camp-Fanakan Stream foot path

(b) *Observations* : These appear to be easements of necessity.(c) *Judgement* : Right to way in the footpaths already in use in 1967 itemised in (a) (i) (ii) (iii) above is granted to the inhabitants of Ologholo, Emu, Urho and Illushi.K. *Right to dig gravel* : This is not done now.*Judgement* : Right to dig gravel is not granted.(Sgd.) 2. *Limitation of Proposed Reserve.*

(a) There was no objection to the extent of the proposed Reserve as published in Mid-Western Nigeria Gazette No. 747 of 1966.

(b) *Judgement.*

I confirm the limitations of the proposed Forest Reserve as described in Mid-Western Nigeria Notice, No. 747 of 1966.

3. *Proposed Name of Reserve.*—Okhue Stream Government Forest Reserve. There was unanimous objection to the proposed name. The principle of naming a Forest Reserve after any permanent natural feature in the Reserve was explained.

(a) The Uromi/Uzea representatives claimed absolute ownership of the Okhue Stream for the Uromi people. This was not disputed. They argued that since this was so, the proposed name was rather not all embracing and in due course it may be cause for unrest having regard to the idiosyncracies of the populace.

(b) Irrua representatives accepted above and would like a neutral name, preferably retaining the compound name Irrua-Uromi Forest Reserve.

(c) After long discussions the name *Ukorlu* was suggested and accepted by all. *Ukorlu* was the original name given to this forest area which served as a place of refuge during war in early days. It was so called by both the Uromi and Irrua people.

(d) There was a marked disinclination about including the word "Government" in the name of the reserve. It was explained that this was to distinguish it from Local Government Council Forests. Nonetheless they would rather prefer the elimination of the word 'Government'.

(e) *Observation:*

(i) *Ukorlu* is not a natural feature but a name given to the forest area from time immemorial. The name has historical associations and is meaningful to the people.

(ii) The inclusion or non-inclusion of the word 'Government' seems to me not to be very material. The forest area has been under protection for long and the people respect it. To them forest reserves are reserves—but the deliberate addition of the word 'Government' was fraught with all disconcerting possibilities. I do not foresee any administrative difficulties in not including the word "Government", since indeed the people do not know the difference between Government Forest Reserves and Local Government Council Forest Reserves. They respect all reserves equally.

(f) *Judgement.*—I uphold the objections. The name of the reserve shall be UKORLU FOREST RESERVE.

4. *Claims:*A.—*Right to fish in Okhue Stream.*

(a) People fish there now very sparingly but it was desired to write into the law the right to fish as a safeguard against any eventuality.

The villages to enjoy this privilege are—

- | | |
|------------------|------------------|
| (i) Eko—Ugbojurm | } in Uromi/Uzea. |
| (ii) Eko—Ukolhe | |
| (iii) Awo | |
| (iv) Aro | } In Irrua. |
| (v) Ohue | |
| (vi) Udomi | |

(b) *Observation.*—The village enumerated are not more than one mile from the stream.

(c) *Judgement.*—The right to fish is granted to the villages listed.

B.—*Right to draw water.*

(a) The inhabitants of the villages listed in 1. above draw water from the Okhue stream for domestic purposes.

(b) *Observation.*—Right to draw water for ordinary domestic purposes or for the want of their cattle is a fundamental right for riparian owners.

(c) *Judgement.*—The right to draw water for ordinary domestic purposes is granted to the villages listed at A(i-vi).

C.—*Hunting:*

(a) People hunt in the forest now. They asked that they should be allowed to continue hunting since it was one of their main sources of revenue.

(b) *Observation.*—The hazards inherent in hunting are not compatible with the prohibitions of the Forestry Law. Besides there is the danger of a complete extirpation of wild life.

(c) *Judgement.*—The right to hunt is not granted.

D.—*Serving Juju* :

- (a) There is no shrine in the area now or any sacred tree.
- (b) *Observation*.—The attribution of a soul to natural objects and phenomena is a continuing process amongst people so inclined. Nonetheless it is unlikely that in the foreseeable future there will be the need to declare any object or space sacrosanct for purposes of worship.
- (c) *Judgement*.—No right exists. The right to serve juju is not granted.

E.—*Right to reside* :

- (a) There are no persons living in the forest area now.
- (b) *Observations*.—The villages in the periphery of the reserve are small. The rate of their growth is also small since there is the usual exodus to cities. Besides should there be need for expansion, there will be no necessity to encroach on the reserves.
- (c) *Judgement*.—The right to reside is not granted.

F.—*Farming* :

- (a) People do not farm there now.
- (b) *Observation*.—With the introduction of Taungya Farming, it is possible to do some arable farming in a reserve.
- (c) *Judgement*.—Right to farm is not granted but the privilege of participating in taungya farming, should this method of regeneration be adopted by the Ministry of Agriculture and Natural Resources should be extended to the inhabitants of A(i-vi) villages.

G.—*Sticks for supporting Yams* :

- (a) Permission was asked for little sticks to be cut for supporting yams. These will supplement whatever would be got from the areas to be cleared during the taungya farming.
- (b) *Observation*.—There is a great risk involved in this as young forest trees being nurtured will inevitably be cut.
- (c) *Judgement*.—Right to cut supporting sticks for yams is not granted.

H.—*Thatch leaves*.—A number of persons have thatch leave plantations, notable amongst whom are—

- (i) Audu Okoduwa
(ii) O. Okojie and
(iii) Ogbogun

The areas of these farms were not known but it was averred they have been existing for many years.

Judgement.—Right to collect the Thatch leaves is granted to Messrs—

- (i) Audu Okoduwa
(ii) O. Okojie and
(iii) Ogbogun.

provided that their plantations will not be expanded.

I.—*Right to collect ropes*.—Ropes are taken for domestic purposes.

Judgement.—Right to collect ropes except, *Ikan (calamus)* is granted.

J.—*Kola Nuts* :

- (a) There are only three Kola Nut trees (*Cola acuminata*) owned by a certain Arikhan Orukpe of Irrua.
- (b) *Observation*.—The number of the trees is too few to make the yields of the Kola Nut trees have any worth while economic value. There can however be no doubt that the owner enjoys them.
- (c) *Judgement*.—An agricultural officer should evaluate the trees with a view to paying compensation to Mr A. Orukpe, who thereafter shall forfeit all rights to the said trees.

K.—*Ducca Nuts (Irvingia gabonensis)* (Called Ogui in Benin)

- (a) People particularly women collect these nuts for domestic purposes.
- (b) *Judgement*.—Right to continue collection of the nuts is granted to the inhabitants of—
- (i) Eko-Ugbojumo
(ii) Eko-Ukokhe
(iii) Awo
(iv) Aro
(v) Ohue
(vi) Udomi

L.—*Right of way* :

- (a) The following roads are presently in use—
- (i) Uromi-Uzea motor road
(ii) Ohue-Enogho Camp foot path.
- (b) *Observations*.—These are easements of necessity.
- (c) *Judgement*.—Right of way on the 1967 Uromi-Uzea motor road is granted to the general public. Right of ways on the 1967 Ohue-Enogho Camp foot path is granted to the inhabitants of Ohue and Enogho villages.

M.—*Gravels* :

- (a) Gravels are not dug now.
- (b) *Judgement*.—Right to dig or collect gravels is not granted.

N.—*Picking of Snails* :

- (a) With the deprivation of hunting rights the only next best source of flavour for the family dishes will be the use of snails. Women pick these without any weapons.
- (b) *Judgement*.—Right to pick snails is granted to—
- (i) Eko-Ugbojumo
(ii) Eko-Ukokhe
(iii) Awo
(iv) Aro
(v) Ohue
(vi) Udomi

Mid-Western Nigeria Notice No. 981

OGWA PROPOSED GOVERNMENT FOREST RESERVE

SETTLEMENT COURT
HELD IN THE COUNCIL HALL EBELLE
ON SATURDAY, 6TH MAY, 1967

Present :

1. K. Mordi—Reserve Settlement Officer
 2. P. A. Abusomwan—Forest Officer Ubiaja
 3. J. A. O. Kio—Forest Ranger, Interpreter
 4. Chief Imaralu—The Onogie of Ogwa
 5. Chief Itua—the Oliha of Ogwa
 6. Chief Enomiegen—the Uwangue of Ogwa
 7. Chief Imafidon—the Idogun of Ogwa
 8. Chief Ohuc—the Enobhore of Ogwa
 9. Chief Etute—the Ihama of Ogwa.
2. *Limitations of the Proposed Reserve :*
- (a) There were no objections to the limitations of the proposed reserve as published in Mid-Western Nigeria Notice No. 746 of 1966.
 - (b) *Judgement :* I confirm the limitations of the proposed Reserve as described in Mid-Western Nigeria Notice No. 746 of 1966.
3. *Name.*—Ogwa Government Forest Reserve
- (a) The name was acceptable to the people but were not happy about the inclusion of the word "Government". They believe the addition of the word "Government" would dispossess them of the land in perpetuity. Although they do not exercise any rights on the land now being a protected forest, nonetheless they have a sense of belonging and possession which would be destroyed as soon as the word Government is deliberately introduced.
 - (b) *Observations :*
 - (i) The principle preferred for naming Forest Reserves is to take a prominent natural feature therein and call the Forest Reserve after it. Unfortunately, there is no outstanding feature in the forest. The only lake there called Odighiri (which is the Ishan word for lake and so has really no definitive meaning) is rather small and is of no great importance to the people.
 - (ii) Ogwa is the village, the inhabitants of which own the proposed forest area. To call the reserve Ogwa Forest Reserve is acceptable to the people since it perpetuates their name.
 - (iii) The inclusion or non-inclusion of the word "Government" seems to me not to be very material. The proposed reserve has been under protection for long and there has not been frequent cases of abuse. The people respect the area.
 - (c) *Judgement.*—The name of the Forest Reserve shall be Ogwa Forest Reserve.
4. *Claims :*
- A.—*Right to fish :*
- (a) The only body of water there is a small lake called Odighiri. There are no fishes in it. So people do not fish there.
 - (b) *Judgement.*—No privilege is enjoyed now. Accordingly no right is confirmed.

B.—*Right to draw water :*

- (a) The lake Odighiri provides the only source of clear water for domestic purposes.
- (b) *Observations.*—Riparian owners are normally allowed to draw water for ordinary domestic purposes.
- (c) *Judgement.*—The right to draw water for ordinary domestic purposes is granted to the inhabitants of Ogwa village.

C.—*Right to hunt :*

- (a) People hunt there now. They expressed a strong desire to be allowed to continue hunting since it was a valuable source of revenue for them and provided them also with meat for food.
- (b) *Observations.*—The hazards inherent in hunting are not compatible with the prohibitions of the Forestry Law. There is also the need to preserve what is left of the wild life in Ishan since most common animals are now difficult to find e.g. monkeys.
- (c) *Judgement.*—Right to hunt is not granted.

D.—*Right to Farm :*

- (a) Since the forest area was declared protected forest people were not allowed to farm there. They however expressed a strong desire to cultivate the rich soil.
- (b) *Judgement.*—Right to farm is not granted but the privilege of participating in taungya farming, should this method of regeneration be adopted by the Ministry of Agriculture and Natural Resources should be extended to the inhabitants of Ogwa.

E.—*Right of way :*

- (a) The following roads and footpaths are in use. They traverse the reserve.
 - (i) Ebelle-Ogwa-Ujogba Motor Road.
 - (ii) Ukpogo-Ogwa-Odighiri footpath.
 - (iii) Idumusibor-Amagbede footpath.
- (b) *Observations.*—Evidence showed these are easements of necessity.
- (c) *Judgement :*
 - (i) Right of way on the 1967 Ebelle-Ogwa-Ujogba motor Road is granted to the general public.
 - (ii) Right of way on the 1967 Ukpogo-Ogwa-Odighiri foot path and the 1967 Idumusibor-Amagbede foot path is granted to the inhabitants of Ogwa.

F.—(a)—*Right to collect :*

- (i) Ducca Nuts (*Iringia gabonensis*).
 - (ii) Kola Nuts (*Cola acuminata*).
 - (iii) Native Pear (*Pachylobus edulis*).
- (b) *Observations.*—There are no plantations of these but they occur in the forest area, especially along the Ebelle-Ogwa-Ujogba motor road.
- (c) *Judgement.*—Continued right to collect the fruits of :
 - (i) Ducca Nuts (*Iringia gabonensis*).
 - (ii) Kola Nuts (*Cola acuminata*).
 - (iii) Native Pear (*Pachylobus edulis*) is granted to the inhabitants of Ogwa village.

G.—*Thatch Leaves*.—There are farms of these but none is of worthwhile expanse.

Judgement.—Right to collect thatch leaves is granted to the people of Ogwa village but the farms should not be extended.

H.—*Ropes*.—These are collected for domestic purposes.

Judgement.—Right to collect ordinary ropes except Ikhan (*Calamns*) is granted to the inhabitants of Ogwa village.

I.—*Snails*.—picking of :

(a) With the deprivation of hunting rights the only next cheap source of flavour for the family dishes will be the use of snails.

(b) *Judgement*.—Right to pick snails is granted to the inhabitants of Ogwa village.

J.—*Right to serve juju*.—There is no shrine or sacred tree worshipped.

Observations.—The religious instinct in man expresses itself in various ways. Animism is particularly common amongst developing peoples.

Judgement.—No privilege is enjoyed presently. No right is therefore granted.

Mid-Western Nigeria Notice No. 982

OLOGHOLO-EMU-URHO PROPOSED FOREST RESERVE

SETTLEMENT COURT HELD IN THE COURT HALL, UBIAJA ON MAY 5th, 1967

Present at the Court:

- (1) K. Mordi—*Reserve Settlement Officer*.
- (2) P. A. Abusomwan—*Forest Officer*.
- (3) J. A. O. Kio—*Forest Ranger—Interpreter*.

Present:

1. (i) H. H. Chief Ojealekhe, the Onogie of Emu. He represented also the village Head of Urho, (Urho being under Emu).
- (ii) H. H. Chief Ekpenyyn, the Onogie of Ologhoho.
- (iii) H. H. Chief Okewere, the Onogie of Illushi.

2. *Proposed name of reserve*.—Urhobo River Government Forest Reserve.

A.—The proposed name was not acceptable to all—

- (a) H. H. the Onogie of Emu approved of the name Urhobo River Forest Reserve (deleting the word Government) because Urhobo River flows through his domain and is popular amongst his people.

(b) H. H. the Onogie of Ologhoho preferred the name Oken-Forest Reserve Oken being a stream which not only flows through part of the reserve in his domain but is also worshipped as a god by his people.

(c) H. H. the Onogie of Illushi supported the view of the Onogie of Ologhoho.

B.—*Observations:*

- (i) Each Onogie wanted the Forest Reserve to be named after a natural feature in his own part of the reserve. The purpose is to claim superiority over others, an intangible point, the importance of which cannot be over emphasized amongst the natives.
- (ii) Besides, the name "Urhobo River" appears to me to be a misnomer and not an apt description having regard to the location of the Urhobo Tribe in the Delta Province.
- (iii) Accordingly that two names proposed "Urhobo River Forest Reserve" and "Oken Forest Reserve" would seem not to be acceptable.
- (iv) The compound name Ologhoho-Emu-Urhu Forest Reserve was unanimously accepted.
- (v) The word "Government" was not acceptable to the people. They did not know the difference between a Local Government Council Forest Reserve and a Government Forest Reserve. Reservation was reservation, but they would prefer eliminating the word 'Government'.

C.—*Judgement:*

- (i) I cannot envisage any administrative problem inherent in accepting a compound name. In the absence of any common outstanding natural feature which should have given the Forest Reserve an appropriate name, I accept the compound name Ologhoho-Emu-Urhu which shows the main villages involved in the reservation.
 - (ii) The name of the Forest Reserve shall be "Ologhoho-Emu-Urhu Forest Reserve".
3. *Limitation of the Reserve.*
- (i) There were no objections.
 - (ii) *Judgement*.—I confirm the limitations of the Ologhoho-Emu-Urhu proposed Forest Reserve as described in Mid-Western Nigeria *Gazette* Notice No. 745 of 1966.

4. *Claims:*

A.—*Right to fish*.—Evidence showed that the inhabitants of Ologhoho, Emu, Urho and Illushi engage in piscatorial activities in the following ponds—

- (i) Odighiri.
- (ii) Oghoyo.
- (iii) Ebhale.
- (iv) Akhaba.
- (v) Ogodokpaso.
- (vi) Odu-game.

(b) Also the inhabitants of Emu fish in the Urhobo River.

(c) *Observation.*—There is no danger yet that our stocks of fishes are being exhausted to necessitate the prohibition of fishing in bush ponds and rivers.

(d) *Judgement.*—Right to fish in ponds itemised in (a) and (b) above, is granted to the inhabitants of the villages of Ologholo, Emu, Urho and Illushi.

B.—Right to draw water.

(a) Evidence showed that the inhabitants of Ologholo, and Emu draw water from—

- (i) Edhaje Stream.
- (ii) Urhobo River.

for domestic purposes.

(b) *Observation.*—Riparian owners are normally allowed to take and use water for ordinary domestic purposes.

(c) *Judgement.*—Right to water for ordinary domestic purposes is granted to the inhabitants of Ologholo and Emu.

C.—Right to hunt :

(a) Evidence showed that the people of the area have been hunting in the proposed Forest Reserve.

(b) *Observation.*—There is an obvious danger that our wild life is fast being extirpated and there is the need for conservation. Besides the provisions of Section 49 (b) (c) and (d) of the law prohibits amongst other actions, stripping off the bark or leaves from any tree, setting fire to any grass or herbage ; This makes it an extremely hazardous affair to allow hunters into the Reserve without the great risk of their violating any of the rules above.

(c) *Judgement.*—Right to hunt is not granted.

D.—Right to serve juju.—There are two shrines in the area.

(a) (*Oken Stream*) *Juju*.—worshipped by the people of Ologholo, whose Chief Priest is Atirevbor. There are no fixed times for the ceremonies. Events in the Village determine whether the Juju would be consulted or not. There is a Kola nut tree, which forms and marks part of the shrine.

(b) *Iekhen Juju*.—(a piece of big Rock) worshipped only on the assumption of office of any new Onogie of Ubijaja.

(c) *Observations.*—The religious instinct is innate in man. Animism is one of the ways of expressing this.

(d) *Judgement :*

(i) The right to continue serving the Oken Juju and to collect the fruits of the kola nut tree which forms part of the shrine is granted, to the inhabitants of Ologholo village.

(ii) The right to serve the Iekhen Juju is also granted to the inhabitants of Ubijaja town.

E.—Right to reside.—There are no persons living in the proposed reserve now.

Judgement.—Right to reside therefore does not arise.

F.—Thatch leaves and raphia mats.—These occur freely. They belong to nobody.

Judgement.—Right to remove Thatch leaves and Raphia leaves is not granted.

G.—Ropes.—Ropes are used for domestic purposes.

Judgement.—Right to take ropes except Ikan (*Calamus*) is granted to the inhabitants of Ologholo, Emu and Illushi.

H.—Farming.—People do not now farm in the area but they expressed the desire to be allowed to plant in the fertile soil.

Observation.—Until recently arable farming was the greatest energy for any afforestation programme. But with the introduction of taungya farming, the two systems can now be worked together.

Judgement.—Right to farm is not granted but the privilege of participating in taungya farming should continue.

I.—*Dacca Nuts.*—(*Lycium gabonensis*) called Ogui in Benin. People especially women collect these for domestic purposes.

Judgement.—Right to collect ducca nuts is granted.

J.—Right of way :

(a) There are foot paths used by the people which pass through the proposed reserve :

- (i) Ologholo-Oken-Odighiri pond foot path.
- (ii) Ologholo-Edhaje Stream foot path.
- (iii) Ologholo-Anam camp-Fankan Stream foot path.

(b) *Observations.*—These appear to be easements of necessity.

(c) *Judgement.*—Right to way in the footpaths already in use in 1957 itemised in (a) (i) (ii) (iii) above is granted to the inhabitants of Ologholo, Emu, Urho and Illushi.

K.—Right to dig gravels.—This is not done now.

Judgement.—Right to dig gravels is not granted.

K. Moma.
