WESTERN NIGERIA NOTICE No. 1324 (2nd publication)

COMPETITION FOR ENTRY TO THE ADMINISTRATIVE AND SPECIAL DEPARTMENTAL CLASSES OF THE WESTERN NIGERIA PUBLIC SERVICE, 1965

It is notified for the general information of intending candidates that the 1965 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in March 1965. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see sub-paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Of the candidates who have to take the written examination, only those who reach a qualifying standard therein will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1965 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W.1.

(ii) Candidates who hold, or who will finish in 1965 courses leading to the award of, honours degrees, or in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics, and in respect of the Class of Produce Officers, it should be in either Agriculture or Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Candidates who already hold general degrees with pass in Third Division and those who hold only the qualifications for a call to the Bar or admission as a Solicitor are required to sit for the examination.

(iv) Intending candidates who expect to finish in 1965 courses leading to the award of general degrees and those studying for the Bar or the Solicitors' final examinations only are also required to sit for the examination.

(v) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student,

the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1965, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of their accommodation and transport.

7. A fee of £2 is payable by every candidate wishing to take part in the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPS 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPS 1 under a covering letter referring to their applications. These must be received by the 9th of January, 1965. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPS 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 9th of January, 1965.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have

closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

OPENING TO THE PUBLIC OF THE YANKARI GAME RESERVE

Notice is hereby given that as from 1st December, 1964 the Yankari Game Reserve, Bauchi Province, will be opened again to the General Public for visits, and will remain open to visitors until 31st May, 1965.

2. Visitors wishing to see the Yankari Game Reserve should apply for permission to enter the Reserve, preferably at least one month in advance of the date of their intended visit. Application should be made to the Regional Game Warden, Ministry of Animal and Forest Resources, Bauchi (Telegraphic address GAME BAUCHI).

3. Visitors to the Game Reserve are required to comply with any rules and instructions for visitors issued by the Regional Game Warden.

4. The Yankari Game Reserve is situated in the Fali and Duguri Districts of Bauchi Emirate to the South-east of Bauchi, and covers an area of approximately 720 square miles. From Bauchi, access to the Reserve is by the Bauchi-Gombe all season laterite road for a distance of 25 miles to Dindima on the east bank of the Gongola river; thence by the Dindima-Gar-Mainamaji dry season road for a distance of 18 miles to the Mainamaji Base Camp at the north-western corner of the Reserve; thence through the Reserve by an all season motor track for a distance of 27 miles to the visitors' camp at Wikki Springs.

5. Visitors are expected to use their own transport to and from Wikki Springs on entering and leaving the Game Reserve though a limited number of requests for transport from Bauchi to and from Wikki can be met. For excursions from Wikki within the Reserve, Landrovers are provided, though visitors having four-wheel drive vehicles may use their own vehicles if they wish, provided they are accompanied by a member of the Game Unit staff.

8. There is an unfurnished resthouse at the Mainamaji Base Camp available for persons wishing to break their journey to and from the Reserve for a brief rest.

9. Accommodation at the visitors' camp at Wikki Springs consists of:

WESTERN NIGERIA NOTICE NO. 1324 (3rd publication)

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1965

It is notified for the general information of intending candidates that the 1965 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in March 1965. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see sub-paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Of the candidates who have to take the written examination, only those who reach a qualifying standard therein will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1965 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W.1.

(ii) Candidates who hold, or who will finish in 1965 courses leading to the award of, honours degrees, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics, and in respect of the Class of Produce Officers, it should be in either Agriculture or Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Candidates who already hold general degrees with pass in Third Division and those who hold only the qualifications for a call to the Bar or admission as a Solicitor are required to sit for the examination.

(iv) Intending candidates who expect to finish in 1965 courses leading to the award of general degrees and those studying for the Bar or the Solicitors' final examinations only are also required to sit for the examination.

(v) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, *i.e.*, not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student,

the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1965, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of their accommodation and transport.

7. A fee of £2 is payable by every candidate wishing to take part in the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPS 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPS 1 under a covering letter referring to their applications. These must be received by the 9th of January, 1965. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPS 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 9th of January, 1965.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

WESTERN NIGERIA NOTICE No. 1324 (4th publication)

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1965

It is notified for the general information of intending candidates that the 1965 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in March 1965. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see sub-paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Of the candidates who have to take the written examination, only those who reach a qualifying standard therein will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University or a call to the Bar or admission as a Solicitor, or a

recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1965 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W.1.

(ii) Candidates who hold, or who will finish in 1965 courses leading to the award of, honours degrees, or in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics, and in respect of the Class of Produce Officers, it should be in either Agriculture or Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Candidates who already hold general degrees with pass in Third Division and those who hold only the qualifications for a call to the Bar or admission as a Solicitor are required to sit for the examination.

(iv) Intending candidates who expect to finish in 1965 courses leading to the award of general degrees and those studying for the Bar or the Solicitors' final examinations only are also required to sit for the examination.

(v) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1965, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of their accommodation and transport.

7. A fee of £2 is payable by every candidate wishing to take part in the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPS 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the

Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPS 1 under a covering letter referring to their applications. These must be received by the 9th of January, 1965. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPS 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1, if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 9th of January, 1965.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

LATE RECEIPT OF
SHIPPING DOCUMENTS

For some time now, shipments from the Continents have been on the increase and in most cases, Consignors of goods forward shipping documents direct to Consignees who in turn hold these documents in custody for a considerable time. They would not forward them except on demand by the Government Coastal Agent and this after the vessels had arrived and discharged.

2. This procedure, no doubt, causes a lot of delay in clearance and as a result heavy ports' penal rents are incurred.

3. You are all well aware that shipping documents must be processed through the Customs and the Nigeria Ports Authority well in advance before the arrival of ships in order to be able to effect early clearance of goods and thereby avoid payment of storage rents.

4. To mitigate this delay in future, and in order to cater for good services, it will be necessary for Consignees to advise Consignors when ordering goods, to forward all shipping documents by airmail direct to the Government Coastal Agent, Government Coastal Agency, Apapa, immediately after the carrying ships have sailed so that documents will arrive at least five to seven days before the vessels.

WESTERN NIGERIA NOTICE No. 1324 (5th publication)

COMPETITION FOR ENTRY TO THE ADMINISTRATIVE AND SPECIAL DEPARTMENTAL CLASSES OF THE WESTERN NIGERIA PUBLIC SERVICE, 1965

It is notified for the general information of intending candidates that the 1965 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will be held in March 1965. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated as Administrative Officers, Class IV, in salary scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see sub-paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Of the candidates who have to take the written examination, only those who reach a qualifying standard therein will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University or a call to the Bar or admission as a Solicitor, or a

recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1965 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Municipal Treasurers and Accountants, the Institute of Costs and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W.1.

(ii) Candidates who hold, or who will finish in 1965 courses leading to the award of, honours degrees, or in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics, and in respect of the Class of Produce Officers, it should be in either Agriculture or Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Candidates who already hold general degrees with pass in Third Division and those who hold only the qualifications for a call to the Bar or admission as a Solicitor are required to sit for the examination.

(iv) Intending candidates who expect to finish in 1965 courses leading to the award of general degrees and those studying for the Bar or the Solicitors' final examinations only are also required to sit for the examination.

(v) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, *i.e.*, not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—

This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1965, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of their accommodation and transport.

7. A fee of £2 is payable by every candidate wishing to take part in the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPSC 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the

Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPSC 1 under a covering letter referring to their applications. These must be received by the 9th of January, 1965. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPSC 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 9th of January, 1965.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

GOVERNMENT COASTAL AGENCY, APAPA

UNACCOMPANIED BAGGAGE

As from 1st January, 1965, the Elder Dempster Agencies Limited will no longer accept household effects or furniture as accompanied baggage or part of the passengers' personal luggage, as personal baggage consists only of wearing apparel and effects necessary for and appropriate to the travellers' present comfort and convenience. Exceptions to the foregoing, however, are Radiograms, Washing Machines, and Refrigerators which may still be carried with accompanied baggage on payment of a charge of £5 per item.

2. Household effects, however, will continue to be shipped at current freight rates as cargo, but only by pre-arrangement as this will necessitate the advance reservation of space in the carrying vessel. In order to avoid the difficulties and last minute disappointments of the items not being able to be shipped in the same vessel, household effects, as distinct from the passengers' personal luggage, should be delivered to the Government Coastal Agent about seven days before the date of departure of the carrying vessel.

3. The Elder Dempster Agencies Limited have also warned that effects shipped by mail-boats will no longer be discharged at Prince's Landing Stage but at Brocklebank Dock, where charges will be incurred if they are not cleared after 72 hours. It

is, therefore, suggested that the appointment of clearing agents at destination should entirely be left in the hands of the Government Coastal Agent. Radiograms, Washing Machines, and Refrigerators which will be carried with the accompanied baggage, however, will continue to be discharged at Prince's Landing Stage and may be cleared through Customs with personal baggage.

WESTERN NIGERIA NOTICE No. 1324 (6th publication)

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1965

It is notified for the general information of intending candidates that the 1965 competition for entry to the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in March 1965. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see sub-paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Of the candidates who have to take the written examination, only those who reach a qualifying standard therein will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) be prepared to sit in 1965 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Works Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Joint Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W.1.

(ii) Candidates who hold, or who will finish in 1965 courses leading to the award of honours degrees, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to

sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics, and in respect of the Class of Produce Officers, it should be in either Agriculture or Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Candidates who already hold general degrees with pass in Third Division and those who hold only the qualifications for a call to the Bar or admission as a Solicitor are required to sit for the examination.

(iv) Intending candidates who expect to finish in 1965 courses leading to the award of general degrees and those studying for the Bar or the Solicitors' final examinations only are also required to sit for the examination.

(v) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions—One will test ability to detect dubious thinking, and will contain short passages of which the Logical Force is to be discussed critically. The other will test ability to draw Statistical Inferences from a table of numerical data.

5. The written examination will be held on the 29th of March, 1965, in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommoda-

tion and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of their accommodation and transport.

7. A fee of £2 is payable by every candidate wishing to take part in the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPSC 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPSC 1 under a covering letter referring to their applications. These must be received by the 9th of January, 1965. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPSC 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 9th of January, 1965.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.
