WESTERN NIGERIA NOTICE No. 1511 (5th publication)

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1964

It is notified for the general information of intending candidates that the 1964 competition for entry into the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1964. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated, like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Candidates who reach a qualifying standard in the written examination will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University (in Agriculture in respect of the class of Produce Officers) or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) intend to sit in 1964 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Cost and Works Accountants, or the Institute of Municipal Treasurers and Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the

Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W. 1.

(ii) Candidates who hold, or who will finish in 1964 courses leading to, honours degrees or, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Intending candidates who expect to finish in 1964 courses leading to general degrees are required to sit for the written examination, as are those studying for the Bar, or the Solicitors' final examinations.

(iv) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation).*—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs.*—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General.*—This will consist of two questions.—One will test ability to detect dubious thinking, and will contain short passages of which the *Logical Force* is to be discussed critically. The other will test ability to draw *Statistical Inferences* from a table of numerical data.

5. The written examination will be held on the 14th of April, 1964 in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of, their accommodation and transport.

7. A fee of £2 is payable by those wishing to attempt the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPSC 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, a Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPSC 1 under a covering letter referring to their applications. These must be received by 25th January, 1964. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPSC 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 25th January, 1964.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

AND WHEREAS the Governor in Council considers that in the interests of public safety and public order the said RAJI ADEBOWALE should be deported from Iseyin in Oyo Division, to another place in Western Nigeria:

T. O. EJIWUNMI,
Secretary to the Premier and Executive Council

The following Bill, which will in due course be presented to the Legislature of Western Nigeria for enactment, is published for general information.

By His Excellency's Command,

T. O. EJIWUNMI,
*Secretary to the Premier and
Executive Council*

A B I L L FOR

A LAW TO AMEND THE MONEYLENDERS LAW.

[

] Date of
commence-
ment.

BE IT ENACTED by the Legislature of Western Nigeria as Enactment.
follows:—

1. This Law may be cited as the Moneylenders (Amendment) Short title.
Law, 1964.

Insertion of
new s. 2A in
Cap. 78.

2. The Moneylenders Law is hereby amended by inserting immediately after section 2 thereof the following new section:—

“Exemptions
may be
subject to
conditions.

2A. (1) Where the Governor in Council exempts by order any person or body corporate from the provisions of this Law, he may, by the same or a subsequent order, or otherwise, specify such conditions as he may deem appropriate to which the exemption shall be subject.

(2) Any contract made or purported to be made and any security given or purported to be given in breach of any condition subject to which an exemption has been granted shall be null and void and have no effect whatsoever.

(3) Any person who, or body corporate which, fails to comply with any condition subject to which an exemption has been granted shall be guilty of an offence and shall be liable on summary conviction—

- (a) in the case of a person other than a body corporate, to a fine of one hundred pounds, and in the event of a second or subsequent conviction to imprisonment for three months or a fine of one hundred pounds or both; and
- (b) in the case of a body corporate, to a fine of one hundred pounds and in the event of a second or subsequent conviction to a fine of five hundred pounds.”

Objects and Reasons

The purpose of this Bill is to amend the Moneylenders Law, Cap. 78 so as to enable the Governor in Council to make any exemption from the provisions of the Law granted under section 2 (d) thereof subject to such conditions as he may deem appropriate. Failure to comply with any such condition by any person or body corporate to whom or to which an exemption has been granted, would render the moneylending contract null and void and also that person or body corporate liable to penalties.

WESTERN NIGERIA NOTICE No. 1511 (6th publication)

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1964

It is notified for the general information of intending candidates that the 1964 competition for entry into the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1964. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated, like Administrative Officers, Class IV, in salary Scale A.)

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Candidates who reach a qualifying standard in the written examination will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University (in Agriculture in respect of the class of Produce Officers) or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) intend to sit in 1964 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Cost and Works Accountants, or the Institute of Municipal Treasurers and Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the

Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W. 1.

(ii) Candidates who hold, or who will finish in 1964 courses leading to, honours degrees or, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Intending candidates who expect to finish in 1964 courses leading to general degrees are required to sit for the written examination, as are those studying for the Bar, or the Solicitors' final examinations.

(iv) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions.—One will test ability to detect dubious thinking, and will contain short passages of which the *Logical Force* is to be discussed critically. The other will test ability to draw *Statistical Inferences* from a table of numerical data.

5. The written examination will be held on the 14th of April, 1964 in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of, their accommodation and transport.

7. A fee of £2 is payable by those wishing to attempt the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPSC 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, a Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPSC 1 under a covering letter referring to their applications. These must be received by 25th January, 1964. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPSC 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 25th January, 1964.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

WESTERN NIGERIA NOTICE No. 1511 (7th publication)

**COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1964**

It is notified for the general information of intending candidates that the 1964 competition for entry into the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1964. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated, like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Candidates who reach a qualifying standard in the written examination will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University (in Agriculture in respect of the class of Produce Officers) or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) intend to sit in 1964 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Cost and Works Accountants, or the Institute of Municipal Treasurers and Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W. 1.

(ii) Candidates who hold, or who will finish in 1964 courses leading to, honours degrees or, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications,

will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Intending candidates who expect to finish in 1964 courses leading to general degrees are required to sit for the written examination, as are those studying for the Bar, or the Solicitors' final examinations.

(iv) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, i.e., not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions.—One will test ability to detect dubious thinking, and will contain short passages of which the *Logical Force* is to be discussed critically. The other will test ability to draw *Statistical Inferences* from a table of numerical data.

5. The written examination will be held on the 14th of April, 1964 in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of, their accommodation and transport.

7. A fee of £2 is payable by those wishing to attempt the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPS 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, a Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPS 1 under a covering letter referring to their applications. These must be received by 25th January, 1964. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPS 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 25th January, 1964.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

A. A. K. DEGUN,
Acting Secretary,
Public Service Commission

COMPETITION FOR ENTRY
TO THE ADMINISTRATIVE AND
SPECIAL DEPARTMENTAL CLASSES
OF THE WESTERN NIGERIA
PUBLIC SERVICE, 1964

It is notified for the general information of intending candidates that the 1964 competition for entry into the Administrative and Special Departmental Classes of the Western Nigeria Public Service will start in April 1964. (The Special Departmental Classes comprise those of Auditors, Assistant Registrars of Co-operative Societies, Produce Officers and Inspectors of Taxes and are remunerated, like Administrative Officers, Class IV, in salary Scale A).

2. The competition will comprise—

(a) a qualifying written examination, conducted by the West African Examinations Council (see paragraph 3 (ii) below for details of exemptions);

(b) a series of tests and interviews, known as an Extended Interview, at the Public Service Selection Board;

(c) an interview before the Public Service Commission.

Candidates who reach a qualifying standard in the written examination will be invited to the Public Service Selection Board. The Public Service Commissioners will subsequently select, in the light of candidates' performance at the Selection Board and of their records, those whom they will themselves interview.

3. (i) To enter for the competition a candidate who is not already a serving officer in the Western Nigeria Public Service must either—

(a) have the qualification of a degree from a recognised faculty of a recognised University (in Agriculture in respect of the class of Produce Officers) or a call to the Bar or admission as a Solicitor, or a recognised professional qualification, as may be appropriate to the post he seeks, or

(b) intend to sit in 1964 for the final examination leading to one of the qualifications mentioned above.

"Recognised" means "recognised by the Government of Western Nigeria". As an example of what is meant by "a recognised professional qualification", the alternative qualification to a degree for entry to the class of Auditors is the professional qualification of Associate Membership of the Institute of Chartered Accountants, the Association of Certified and Corporate Accountants, the Institute of Cost and Works Accountants, or the Institute of Municipal Treasurers and Accountants. Further information may be obtained from the Secretary to the Public Service Commission, Ibadan, the Secretary for Establishments and Organisation (Recruitment and Training Division), The Treasury, Ibadan, or the Official Secretary to the Agent-General for Western Nigeria (Recruitment Branch) 178/202 Great Portland Street, London, W. 1.

(ii) Candidates who hold, or who will finish in 1964 courses leading to, honours degrees or, in the case of candidates for the Special Departmental Classes, the appropriate professional qualifications, will be exempt from the necessity to sit for the written examination (part (a) of the competition). (In respect of the class of Assistant Registrars of Co-operative Societies, the honours degree should preferably be in Economics). Candidates who already hold general degrees with passes in the First or Second Division will similarly be exempt from the necessity to sit for the written examination.

(iii) Intending candidates who expect to finish in 1964 courses leading to general degrees are required to sit for the written examination, as are those studying for the Bar, or the Solicitors' final examinations.

(iv) The conditions affecting serving officers, including specification of the types who will be required to sit for the written examination, will be the subject of a separate announcement to Heads of Departments.

4. The written examination will be non-academic, *i.e.*, not based on the subjects in which candidates might have obtained degrees, and will be designed to test ability to think clearly and to understand and write English, and also knowledge of affairs, particularly West African affairs. Notes for the guidance of candidates drawn up by the West African Examinations Council will be issued to all candidates in due course. The examination will comprise the following papers:—

(i) *English (Precis and Critical Appreciation)*.—This paper will consist of a precis of a passage supplemented by a question asking candidates to comment critically on the central idea of the passage.

(ii) *Current Affairs*.—Four questions are to be answered out of ten, the range of which will be such that the graduate, the University student, the non-graduate and the serving officer are fully catered for; and the questions are intended to test the intelligent awareness of current affairs which any educated person may be presumed to possess.

(iii) *General*.—This will consist of two questions.—One will test ability to detect dubious thinking, and will contain short passages of which the *Logical Force* is to be discussed critically. The other will test ability to draw *Statistical Inferences* from a table of numerical data.

5. The written examination will be held on the 14th of April, 1964 in Lagos, Ibadan, Enugu, London, Washington and at such other centres as may be determined later. The dates and location of the sittings of the Public Service Selection Board will be announced later.

6. Minimum transport expenses to and from London or Washington will be refunded to candidates who are in the British Isles or the United States respectively, but are not resident in those cities, for the purpose of taking part (a), the written examination. In respect of part (b), appearance before the Public Service Selection Board, a detention allowance will be paid to candidates who are neither serving officers nor resident in the city where the Board is held (for a period of two days for each candidate) to help them in defraying the cost of their accommodation and transport expenses in that city, together with a refund of minimum transport expenses to and from that city within the country in which it is situated. In all cases candidates will, however, be responsible for arranging, and meeting the cost of, their accommodation and transport.

7. A fee of £2 is payable by those wishing to attempt the competition.

8. Serving officers will be informed of the special arrangements affecting them. Other candidates who have already applied on Form WNPS 1 for appointment to one or more of the classes mentioned in paragraph 1 above should, if in Nigeria, send to the Secretary, Public Service Commission, Ibadan, a Treasury Receipt for the £2 competition fee or, if outside Nigeria, send £2 by Money Order or crossed Postal Order to the authority to whom they addressed their applications on Form WNPS 1 under a covering letter referring to their applications. These must be received by 25th January, 1964. Those who have not yet applied but wish to do so, should send the fee in the manner prescribed above, with their application on Form WNPS 1, to the Secretary, Public Service Commission, Ibadan, if they are in West Africa, or to the Official Secretary, Office of the Agent-General for Western Nigeria (Recruitment Branch), 178/202 Great Portland Street, London, W.1., if they are in Europe, or to the Chancery, Embassy of Nigeria, 500 Dupont Circle Building, Washington, D.C., if they are in the United States of America, not later than Saturday the 25th January, 1964.

9. Fees are not refundable, and no responsibility can be accepted for money sent in other than the prescribed ways.

10. Instructions as to the date, time and place of attendance will be sent direct to individual candidates.

11. Candidates seeking employment in the posts concerned earlier in the year than permanent appointments can be gained through the competition, or after the entries for the competition for the year have closed, may be considered by the Public Service Commission for temporary appointment on the strict understanding that no right to permanent appointment is acquired thereby and that if they are unsuccessful at any stage of the next competition they will have to leave the service or accept whatever other posts may be offered them.

15. (1) If the Board discovers or is of opinion at any time that a licensee has not been charged with tax, or has been charged at an amount less than that which ought to have been charged, the Board

may, within six years after the date upon which such tax would, if duly or correctly charged, have been due and payable, and as often as may be necessary, assess such licensee at such amount or additional amount as, according to the judgment of the Board, ought to have been charged.

(2) Upon the making of any assessment under the provisions of sub-section (1) of this section, the Board shall cause to be served upon, or sent by registered post to, the licensee a notice stating the tax or additional tax payable and the month or months in respect of which the same was assessed, the place at which such payment should be made, and informing the licensee of its rights under sub-section (3) of this section.

(3) If any licensee disputes any such assessment such licensee may apply to the Board, by notice of objection in writing, to review and revise the assessment made, and such notice shall state the grounds of the objection to the assessment and shall be served upon or sent by registered post to the Board within one month from the date of the service of the notice of assessment.

(4) The Board, having received the notice of objection referred to in sub-section (3) of this section, may require the licensee, or its secretary, director or manager, to furnish such particulars as the Board may deem necessary with respect to the gross revenue of the licensee; and to produce for inspection and examination all records, books, accounts, documents or other materials in the custody or under the control of the licensee relating to such gross revenue; and may by notice, summon any person who, in the opinion of the Board is able to give evidence respecting such gross revenue, to attend before the Board and the Board may examine such person on oath or otherwise.

(5) In the event of any licensee, who has objected to an assessment made under the preceding provisions of this section, agreeing with the Board as to the amount of the tax chargeable, the assessment shall be amended accordingly and notice of the tax payable thereunder shall be served upon the said licensee; and the tax shall be paid to the Board within ten days of the service of the said notice:

Provided that in the event of any licensee, who has objected to an assessment made under the preceding provisions of this section, failing to agree with the Board as to the amount of tax chargeable, the Board—

- (a) may give the licensee notice of refusal to amend the assessment as desired by the said licensee; or
- (b) may revise the assessment to such amount of tax chargeable as the Board may, according to the best of its judgment, determine, and give the licensee notice of the tax payable by reason of the said revision, together with notice of refusal to amend the revised assessment.

(6) The tax shall be paid to the Board within ten days after the service of either of the notices provided for in the proviso to sub-section (5) of this section:

Provided, however, that in the event of an appeal to the High Court by the licensee under the provisions of section 16 of this Law, and subject to the provisions of the said section, payment of the tax to the Board shall be stayed pending the determination of such appeal.

16. (1) Any licensee who has been assessed to tax under the provisions of this Law and who has failed to agree with the Board in the manner provided by sub-section (5) of section 15, may appeal to the High Court against the assessment or revised assessment.

Appeal to
the High
Court.

(2) An appeal shall be brought by notice in writing (hereinafter referred to as "notice of appeal") which shall be in duplicate and shall be signed by the secretary or a director of the appellant, or by the appellant's solicitor; and shall set forth the grounds of appeal, together with a concise statement of the facts, and of any points of law, upon which the appellant intends to rely in support of his appeal. The original of the notice of appeal shall be filed in the appropriate Registry of the High Court, and a duplicate shall be served upon the Board within two days after the filing of the original.

(3) No appeal shall be brought after the expiration of seven days from the date of service of the notice of the refusal of the Board to amend an assessment as desired or to amend a revised assessment.

(4) The appellant shall, within seven days from the date of the filing of the notice of appeal in the Registry, pay into court, by way of security, a sum of money equal to the amount of the tax assessed, which sum shall, upon the determination of the appeal by the court, be payable to the Board to the extent of the confirmation, and to the appellant to the extent of the reduction or annulment, of the assessment or revised assessment. Notice of such payment into court shall be given to the Board by the appellant within two days of the payment. If the appellant fails to pay the amount of the tax assessed into court within the time prescribed, the appeal shall be dismissed upon a motion *ex parte* of the Board, and the tax, together with costs, if any, shall become due and payable on the date of the order dismissing the appeal.

(5) Unless rules made under this section otherwise provide, seven clear days' notice shall be given to the Board of the date fixed for the hearing of the appeal.

(6) The onus of proving that the assessment or revised assessment complained of is excessive shall be on the appellant.

(7) The court may confirm, reduce, or annul the assessment or revised assessment or make such order thereon as to it may seem fit.

(8) The costs of the appeal shall be in the discretion of the court hearing the appeal and shall be such as may be determined by the court.

(9) The Chief Justice of the Region may, for the purposes of this section, make rules providing for the method of tendering evidence before the High Court on appeal and the conduct of such appeals.

(10) An appeal against the decision of the High Court shall lie to the Supreme Court—

- (a) at the instance of the appellant, where the decision of the High Court is that the amount of tax due is in the sum of one hundred pounds or upwards; and
- (b) at the instance of the Board, where the decision of the High Court is in respect of a matter in which the Board claims that the amount of tax due is in the sum of one hundred pounds or upwards.

17. (1) Any licensee who contravenes or fails to comply with any of the provisions or any requirement made under the provisions of this Law, or the secretary, director, manager, other employee or agent of a licensee, who without reasonable excuse, does or omits to do anything as a party to such contravention or failure to comply, shall be guilty of an offence and shall be liable on conviction—

(c) average conditions as regards storage, evacuation, etc., ruling in past season.

3. *Functions of Licensed Buying Agents.*—The main functions which licensed buying agents will be required to perform on behalf of the Board are—

All stores must comply with the requirement of, and be approved by the Western Regional Produce Inspection Service. It is the responsibility of the applicant to request, in writing, the Produce Officer of the area concerned to inspect and approve his Stores.

(f) *Inspection of cocoa.*—That they will be able to provide an adequate labour force at all stores to handle cocoa at the time of inspection.

(g) *Returns.*—That they will render promptly and accurately all returns, particularly of purchases and stocks, which may be called for.

WESTERN NIGERIA NOTICE No. 453

MINISTRY OF EDUCATION, WESTERN NIGERIA
 OPENING OF SECONDARY GRAMMAR
 SCHOOLS

It is notified for general information that the aim of Government is to see that ten per cent (10%) of primary school leavers go to secondary grammar schools. This target is expected to be reached rather by expansion of the existing schools into double and treble streams than by the mushroom opening of new schools. Schools are encouraged to open only in areas where they are educationally desirable.

2. Before a new secondary grammar school is allowed to open, therefore, the following conditions, and others which may be laid down from time to time, must be fulfilled:—

(f) *Method of application.*—Applications must be submitted on the prescribed Form W.R. Ed. 14 direct to this Ministry not later than the 1st day of July of the year preceding that in which it is proposed to establish the institution. A school normally opens at the beginning of the school year, i.e., in January.

(ii) *Site.*—The Proprietor must have a valid title to the land and the site must be approved by the Medical Officer of Health in the area, or his representative. The following minimum site areas are required to allow for full development;

Day Schools	{ Boys—15 acres Girls—12 acres
Boarding Schools	{ Boys—40 acres Girls—25 acres

(iii) *Staff.*—(a) A graduate Principal must be immediately available without depriving any existing institution of essential staff. He/She must possess a teaching qualification and must have had at least four years post-graduate teaching experience in a secondary grammar school or teacher training college. If he/she has no teaching qualification, he/she must have had at least six years post-graduate teaching experience.

(b) There must be other qualified supporting staff.

(c) In the case of a co-educational institution, a qualified female teacher must be available.

(d) The legal minimum number of graduates is one to every ninety pupils or part thereof, but it is not possible to conduct a school certificate course satisfactorily with less than four graduates. Thus, arrangements for the supply of graduate staff must be in hand from the outset by sponsoring students in training to ensure that a second graduate will be available at the beginning of the fourth year of the school's existence and another in the fifth year, if the school is a single stream.

(e) The staff quota is one and a half to a class and there is no maximum as to the number of graduates to be on the staff of a school.

(iv) *Finance.*—Sufficient capital must be immediately available to erect and equip the minimum initial buildings for the school in permanent materials. Four classrooms and necessary latrines and ablutions constitute the absolute minimum initial accommodation whose present cost is estimated at £4,000. A complete boarding

school cannot be built in permanent materials for less than £30,000. This Ministry may demand evidence that this amount is available. Promoters or Proprietors of a new institution should be able to carry on the running of the school, including the cost of buildings, maintenance and staff salaries, without asking for Government assistance for at least seven years.

(v) *Buildings.*—All buildings must be constructed in permanent materials in accordance with plans and specifications approved by the Medical Officer of Health in the area, a qualified Engineer or Architect, the Local Town Planning Authority and this Ministry.

3. It is emphasised that, even when all the conditions specified above have been fulfilled, the approval of the Honourable Minister of Education cannot be anticipated since the application has to be considered on its own merit and in relation to the overall educational policy of the Government.

4. Special attention is drawn to the provisions of sub-section (1A) of section 39 of the Education Law which stipulates that it is an offence to conduct or advertise an intention to conduct an entrance examination or invite prospective candidates to apply for admission to a new institution, the opening of which has not received the consent of the Minister.

(2) Subject to the provisions of sub-section (1) of this section, all charges for water sold in bulk or direct to consumers and for services rendered by the Corporation shall be fixed at such rates and at such scales that the revenue derived every year from such sales and services, together with its revenue for such year from every source will be sufficient as nearly as may be, to pay—

 - (b) the payments falling to be made in such year by the Corporation in respect of the interest on or repayment of the principal of any money borrowed by the Corporation;

as to become viable at the latest within a reasonable period after the appointed day;

- (f) the Corporation in taking any decision on the equalisation of water rates in the future shall bear in mind the hardship likely to result to consumers who might have to pay more for water supplied in order to subsidise the supply of water to other consumers in whose areas the cost of production of water, and so the water rate, might otherwise be relatively high;
